

Council To Revise Meeting Nights

Committees Ok'd;
New Appointments And
System To Start July 1

Changeover on committee arrangements and meeting nights for the Granite City council, as recommended in the SIU government study report, will take place July 1, it was announced during Monday night's meeting by Mayor Davis.

Council members, who last week had agreed to the committee changes, will meet Monday night to prepare on ordinance to alter meeting nights to conform with the university study. It was noted that regular meetings are being cut from three to two a month, there will be no reduction in council members, and that since the two other Monday nights will be reserved for committee or chairman sessions.

Mayor Davis said he plans to follow the SIU program pertaining to his office and the council as closely as possible. "East St. Louis went to the trouble of getting such a survey and chose to ignore it. We spent \$600 and can give it a try for a year. If anything holds back the council, then we can throw it out, but we should give it a chance."

1st & 3rd Mondays

Under the new meeting arrangement, instead of meeting in regular session on the first, third and fourth Mondays of each month, the council will hold regular meetings on the first and third Mondays. The second Monday will be reserved for a closed session for committee chairmen only and the fourth Monday will be a committee session with the public invited to attend any committee they wish.

The new committee arrangement, Davis said, "will give the public a better opportunity to appear before a committee and present any complaints or suggestions. We're not taking anything away from the public, but we should be more orderly."

An agenda will be prepared in advance and mailed to each alderman. Anything to appear on the agenda should be brought to my office by noon the preceding Thursday. Any items brought up new before the council will be referred to the proper committee for action at the next meeting."

It was explained the aldermen would continue to be paid for attendance at three meetings a month, while committee chairmen would receive no extra compensation for hours worked in the second Monday. "There'll be no change in that."

Under existing state aid to dependent children, families are excluded if they include an employable man, whether he is working or not. With the funds supplied by the federal government, ADC aid can be given after July 1, when the man is out of work, the financial need is acute and other requirements are met.

Only a few applications have been received so far, Mr. Marquette H. Hance, supervisor at the county office, 118 Illinois at Madison avenue, Edwardsville, told the Press-Record this week.

While most so far have been referrals from township relief offices, families may apply directly to the county IPAC department, he explained.

Under the new ADC program, there may be rare instances in which large families can qualify for ADC benefits. Mr. Hance said that July 1, when the new program will vary, based on need, he added.

Golden Jubilee, Investiture For Msgr. Costello

Double honors will be accorded Rt. Rev. Msgr. Michael Costello next Wednesday, June 14, when he will be invested in his monarchical robes and will be recognized for being in his fiftieth year as a priest of the Catholic church.

During services at 11 a.m. Wednesday at Sacred Heart Catholic Church, where Msgr. Costello is pastor, Rev. William A. O'Connor, bishop of Springfield, will present the monarchical robes and a "Mass of Thanksgiving" will be celebrated in honor of the golden jubilee of Msgr. Costello's ordination to the priesthood.

Sanction of the Most Blessed Sacrament will take place at 7 p.m. the same day at the church, with a reception following immediately afterward in the Sacred Heart school hall.

The day's full schedule will begin with Msgr. Costello celebrating the Solemn High Mass, Rev. Jeremiah Kirby, pastor of St. Gertrude's Church, Grant Fork, Ill., will be deacon and Rev. Lawrence Wislizenus, rector of the Diocesan Latin School, Springfield, will be sub-deacon. The sermon will be given by Msgr. George Powell of St. Patrick's Church, Decatur, formerly an alderman at St. Joseph's Church here.

Deacons of Honor for Bishop O'Connor will be Rev. Joseph Dineen, pastor of St. Jerome's Church, Troy, and Rev. Patrick Bradley of St. Procopius Abbey, Lisle, Ill. Msgr. William Whalen, pastor of St. Paul's Church, Springfield, will be master of ceremonies, and the master of ceremonies will be Rev. Robert Frazer, pastor of St. Ignace, charge of liturgical services in the diocese.

Rev. Bradley, a member of the Order of St. Benedict, is Msgr. Costello's nephew.

Prayer Clergy

A dinner honoring the jubilee is proposed at the north end of the city-owned block in the 2500 block of Madison street.

The Post Office Department holds an assignable ground lease on the vacant property containing 61,334 square feet. It extends from Madison avenue to the corner of Madison street, a 241-foot frontage on Madison avenue.

The proposed new post office is to replace the present office for a minimum of 20 years with a new building is designed to harmonize with the existing building on the south end of the block.

In the lease arrangement with the Post Office Department, the city is to receive \$300 a year for the property. The lease is for a minimum of 20 years with renewal options for one-year period and four five-year periods.

Under the government's program, the new building is to be leased from the builder.

No Draft Quota For 2nd Consecutive Month

For the second consecutive month, no Quia-Cityans are being drafted for military service. It was learned today at the county selective service office in Edwardsville.

There was no induction quota in May and none has been set for the month of June as it is announced later this month.

However, on Tuesday 12 Quia-Cityans were called to the county office for pre-induction physical examinations.

In talking to Baker, an employee at the Granite City Engineer's office, Thompson learned the name of a Quia-Cityan who had been to the farm, which Baker said was in the process of equipping. Going to the home of Frederick A. Greive, 34, in the northwest corner of the intersection of Chouteau and Mitchell, the deputy questioned Greive. During the discussion, Greive admitted the theft and asked the deputy and troopers where he had hidden the items in the attic. A truck was called to haul the equipment to the county jail.

In further questioning, Greive implicated 16-year-old Leroy E. Haxton, also of the Chouteau address, who was named on the warrant. Haxton admitted his role, and Greive noted in his statement that the youth did not want to participate but did accompany him on two trips made last month to the farm.

The items were hidden at Leavenworth county jail on burglary charges.

Teachers' Ice Cream Social

A high school of chocolate ice cream that teachers had bought and placed in the school's storage room for today's record day was stolen in a break-in discovered Tuesday morning at St. Joseph's school.

Principal Edward Bizek said the office was ransacked and \$160 was stolen.

4 Bids For GC Post Office Under Study

Detroit Firm Bids Low
For New Main Office;
Decision By July 15th

Four bids, including one from a local firm, are being considered in Washington, D. C., for construction of a new main post office building for Granite City.

H. W. Loch, post office department real estate officer for this area, who was reached this morning at Minnisk, Ill., said a decision should be reached by mid-July.

Quoting base bids, Loch said the apparent low bidder was a Detroit, Mich., firm, Michael J. Chernick Co., with a figure of \$31,955.

Other bids under consideration are \$38,000 by Bellemore Home Inc., St. Louis; \$41,750 by Landy & Kyte Co., Lansing, Mich.; and \$48,800 by M.L.W. Development Co., 2201 Adams street, Granite City, organized by George S. Wolfe.

Loch said the four bids were referred to the Post Office Department bureau of facilities at Washington, and it is hoped the office will advise him of a decision between July 1-15.

Details of Building

Specifications call for a structure containing 18,700 square feet of space with an outside loading platform and adequate space for parking and truck maneuvering.

The location for the new building is proposed at the north end of the city-owned block in the 2500 block of Madison street.

Deputy Solved \$1500 Tool Theft; 2 Arrests

A Missouri burglary was solved and about \$1500 worth of power tools recovered at Mitchell today by the Granite City Police. Deputy Sheriff William Thompson, Two Mitchell residents have admitted the theft and are being held in the county jail on burglary charges.

Missouri state troopers and the Granite City police were in the area Monday to investigate the burglary at the farm of Willard Baker near Leasburg, Mo., were ready to give up and go home when Deputy Thompson stepped in.

In talking to Baker, an employee at the Granite City Engineer's office, Thompson learned the name of a Quia-Cityan who had been to the farm, which Baker said was in the process of equipping. Going to the home of Frederick A. Greive, 34, in the northwest corner of the intersection of Chouteau and Mitchell, the deputy questioned Greive. INTER-PLANT OPERATIONS of local industries is evidenced by a Union Starch & Refining Co. tank car this week at the new RC Cola Co. plant. The tank car is the first shipment of caramel coloring, used in the manufacture of soft drink syrup at the new plant and contains 5000 gallons. Union Starch also is continuing shipments to RC Cola's plant in Columbus, Ga.

Urban Renewal Program For GC Is Under Study

A community plan of urban renewal was discussed briefly during a meeting Tuesday evening at the Granite City Housing Authority at which Mayor Davis and Maynard Long, regional director of the state housing board, Chicago, were present.

Mayor Davis said he plans to ask the housing board to undertake the program, provided the city can bring up to date its comprehensive growth plan prepared for Granite City six years ago by Harland Bartholomew & Associates, city planners.

The housing authority, and city agencies will be asked to undertake a study of such a program under which federal funds would be available to be obtained from Director Long when he revisits the city next week.

In other business, the housing commissioners heard a report that construction specifications for the 100-unit development for housing for the elderly should be ready by July 1.

Pending approval from the regional housing office in Chicago, the board accepted a \$1226 bid for a minimum of 20 years with renewal options for one-year period and four five-year periods.

Under the government's program, the new building is to be leased from the builder.

Do Pass' Recommendation On Horseshoe Lake Park Bill

Approval of the \$3,504,000 Horseshoe Lake state park bill with a "do pass" recommendation, action taken by the House appropriations committee at 1 a.m. Wednesday, according to local Rep. Lloyd "Curly" Harris, chairman of the committee.

Development of the proposed 773-acre area and lake as a state park was approved unanimously last week by the Southern Illinois Conference of mayors.

State Ranks 46th

Karandeff, who is chairman of the boards of the local Granite City Trust & Savings and American National banks, said the lake state park commission has obtained data that Illinois with 78 state parks, ranks 46th among the 50 states in providing recreation facilities.

"Horseshoe Lake is the largest natural water area in the state and it lies within a two-county area with 12% of the state's population. If not only could provide adequate recreational facilities for all types for persons of all ages in this rapidly growing industrial area but also would function in the state's water conservation program."

He recalled the lake area 50 years ago was used extensively for mowing and mowing, served by street cars from several areas.

Delay Could Be Costly

"In recent years the lake area has had its ups and downs, and most of the land to be developed now is swampy and a breeding place for mosquitoes. We are urging the land be acquired as soon as possible, and prices go any higher," Karandeff said.

He added that members of the commission are to be advised when the bill is to be taken up by the House of Representatives and a number of the commissioners would go to Springfield.

The \$3,504,000 bill, which would include \$1,392,750 for acquisition of 773 acres of land, \$1,392,750 for dredging the lake to a depth of eight feet, and \$512,000 for recreational development.

Owner Killed By Robbers At Station Today

Martin Drenovac Found Beaten To Death; Trio Seen Leaving Train Oaks

A 69-year-old restaurant owner, Martin Drenovac, was brutally bludgeoned to death by robbers between 9:30 and 10:15 a.m. today at the Twin Oaks station, 6644 East, the east approach of the Chain of Rocks canal bridge.

Three men who fled westward in a light-colored auto are being sought, and an intensive investigation now underway is being extended to motels in the area for possible leads on the bandits' identity.

Martin Drenovac, who was alone in the station at the time of the robbery, was found lying on the floor in the room containing the station's grease rack.

He had been struck on the head at least seven times by a blunt instrument, possibly a tire tool, and was lying in a pool of blood. His clothes were blood-soaked.

Mr. Drenovac was found by his son, Sam, who had been in the station when he saw a customer operating the business and resided in an adjacent home.

The Press-Record learned at the scene that Mr. Drenovac's wallet, believed to contain between \$200 and \$500, was missing.

Seen Fleeing

Questioning of witnesses by sheriff's deputies and assistance by state police, revealed that the bandit trio had been seen leaving the station in a light-colored car, apparently headed toward Missouri over the Chain of Rocks bridge. The area was swarming with investigators and newsmen at noon today.

The trio participating included Deputy Coroner Henry Pieper, Sheriff George Musso, State Police Capt. Emil Toffant, Assistant State's Attorney John Gitchell, deputies and troopers.

Levee Trustees To Report Tonight On Pontoon Beach

Levee district trustees and engineers are to present a report at 7 o'clock this evening on the results of the Pontoon Beach area on their findings of a recent drainage survey in the area.

Supervisor Harry Briggs, who arranged a meeting with the district trustees, said he expects a large turnout of Pontoon Beach area residents.

The earlier meeting on May 18 was attended by Trustees Lawrence D. County Sheriff George Musso, Illinois State Police Capt. Emil Toffant and representatives of the Federal Bureau of Investigation were among persons attending a conference this afternoon at Edwardsville, Ill., called by the State's Attorney Dick L. Mudge.

Among topics of discussion are the drainage survey, the levee district's engagement in prosecution of persons suspected of establishing a "leak" in the levee system is suspected to be arrested through "innates."

Thieves Loot Maryville Road School

Thieves obtained a typewriter and \$7 in coins from the secretary's office at Maryville area school sometime yesterday morning. Principal Owen Humphrey told the Press-Record the money was in a desk, he said.

Entry was gained by forcing a door and the break-in was discovered by Al Ward Jr., custodian, at 6:30 a.m. yesterday.

Nothing else was bothered, Humphrey said, with the exception of water apparently poured from a flower vase into a desk drawer. The flowers were found in a wastebasket, he said. County authorities were advised of the theft.

GC Police Predict 77 Accidents In June

A prediction that 77 traffic accidents will occur in Granite City this month was announced this week by the records section of the police department.

The forecast is up five from the 72 prediction made for May, when 68 accidents were recorded.

However, generally the predictions are down from those of last year. In June 1960, 85 accidents were predicted and 82 were reported.

\$64,547 Budget For Venice Park, \$2767 Increase

The Venice park board last night adopted a budget of \$64,547 for the 1961 fiscal year, an increase of \$2767 over the \$61,780 figure for the year just ended.

The budget, however, was somewhat lower than the \$67,280 figure for the 1960-61 fiscal year. Included in the budget were appropriations of \$44,797 for the general fund, up \$3017, and \$19,750 for the recreational fund, down \$250.

A \$2000-plus increase was noted in the administrative category, which rose from \$4743 to \$6945. The boost was due to a \$1200 raise in salary for the park superintendent to \$3800 and a \$600 salary hike for the secretary to \$1800.

A \$300 increase in the treasurer's salary to \$1200 was noted. Repairs totaling \$2000 were a factor in increase in the park building fund, from \$1050 to \$1325.

Appropriations for the park grounds rose from \$29,327 to \$31,435 in the previous year. Major reductions were in the water conservation department, from \$1500 to \$2500, and in purchase of new vehicular equipment, \$1500, compared to \$4500 a year ago. Most prominent increase was in park labor wages boosted from \$101.25 to \$121.50.

Allocation for salaries of police officers was decreased from \$3600 to \$3000. Playground equipment purchased was cut to \$2000, as compared to \$3300, and construction of basketball courts was \$2000 to \$3300 for resurfacing of tennis courts was set at \$1000.

Foglia New Official Of P. N. Hirsch Store

Louis Foglia, Decatur, has been named assistant manager of the P. N. Hirsch department store here, succeeding Harold Stockstill, who held the post for a year.

Stockstill will take over as manager of a Charleston, Mo., branch of the chain. Foglia, who has served 18 years as manager of Shoe Corp. and John Green stores, assumed duties Monday. He and his wife are parents of three children, Steven, 15; Bradford, 11 and Elaine, six years old.

He was manager of a John Green store before coming here. Manager of the local store is Delbert Whittenborn. Foglia is a member of the American Legion, Elks and Moose lodges and the First Christian Church, Decatur.

Harry Hillmer, 62, Dies Unexpectedly

Harry H. Hillmer, 62, of 3000 Idaho street died suddenly Monday night after he was stricken with an apparent heart attack at his home. He was pronounced dead on arrival at 11:10 at St. Elizabeth Hospital.

He had complained of chest pains before going to bed, but had not been ill previously. An inquiry will be held.

A lifelong resident and native of Granite City, he was a member of Operating Engineers Local 520, East St. Louis, which he was associated for 20 years. He was a member of the Sportsman's Club of Sand Springs.

Surviving are his wife, Nellie; seven sons, Harold, Robert, Kendall, John, Harry Jr., Richard and Darrell Hillmer, all of Granite City; a daughter, Mrs. Robert (Betty) Powers, Ft. Leonard Wood, Mo.; two sisters, Mrs. Daniel (Alma) Earmhardt, Granite City, and Mrs. Scott (Hazel) Spencer, Godfrey, Ill.; and ten grandchildren.

Services were held at 10 a.m. today at a Granite City funeral home, with burial at St. John's Cemetery. Arrangements are given in the obituary column.

Veeder, Whitehead On Airport Study Group

Two local industrial executives have been named to a committee which will study feasibility of developing a major airport in the Illinois Metropolitan area.

Appointed were Nicholas P. Veeder, president and chairman of the board, Granite City Steel Co., and Charles P. Whitehead, president, General Steel Industries, Inc.

The committee will make the study to determine whether further plans should be drafted. It will function as part of the Industrial Park Com. of the Chamber of Commerce of Metropolitan St. Louis.

Figuring in the development is the Bi-State Development Agency which would obtain the deed to 8000 acres to be financed by the St. Louis park agency. Remainder of the acreage not used by the airport would be sold to industry, under a plan mapped last February, at a sufficient profit to finance the entire tract. Bi-State would construct the airport through revenue bonds.

Girl, 6, Hurt Tuesday In Fall From Tree

Linda Lee Hotz, six-year-old daughter of Mr. and Mrs. Thomas Hotz, Glen Carbon, fell from a tree at her home Tuesday evening and sustained a severe gash on her left hip. She received 23 stitches at 7:30 p.m. at St. Elizabeth Hospital and was admitted for observation. She also suffered bruises.

In another Tuesday emergency case, Douglas Winfield, 14, son of Mr. and Mrs. Millard Winfield, 1845 Bremen avenue, was hit in the eye with a baseball and received x-rays and treatment for a bruise at 8:30 p.m.

2 Charges Against Man

Whose Auto Hit Pole

A charge of careless driving was placed against Robert Fredoe, 27, of the 2100 block of Iowa street, early Wednesday morning after his auto had crashed into a utility pole in the 2200 block of State street. He also was charged with operating a motor vehicle without a driver's license and was freed on \$27 cash bail.

Police said Fredoe was driving south on State street at the time of the mishap about 12:35 a.m. and that he was arrested on 21st street between Delmar and Edison avenues where his auto stalled.

Jaycees To Install New Officers Saturday

The Jaycees will hold the installation banquet Saturday at the Washburn restaurant, Belleville. It was decided at a meeting last night, Earl Parsons, past president of the club, will be installing officer, Jerry McPherson is the new president.

In other business, the group enrolled Frank Arbeiter, of the Granite City Steel Co., and announced that \$150 will be given to aid teachers of mentally retarded children. The money is being collected through a fund raising drive.

Also, it was decided to hold the Miss Granite City contest sometime in August, with Norman Brokaw being named new chairman. Lynn Roman, originally appointed chairman, will be on active duty with a reserve unit during that month. No date was set.

New officers and five board of directors were chosen. They include Alvin Barnes III, secretary; Art Menendez, state director; and Donald Mesa, Robert Davis, Fred Gohlke, Roger Derr and Norman Draper, board members.

It was reported that the Jaycees, a wives club, will meet June 26 at Big Top Bowl to elect officers for the newly-formed group.

Vickers Named Principal Of Lincoln Grade School

The Venice school board employed Robert Vickers as principal of the Lincoln elementary school during a Monday night meeting of the board of education.

He will occupy a position vacated last week when Charles St. Eyrl retired from the Venice school system after 27 years of service.

Vickers has been employed by the Venice schools for the past 12 years, and was industrial arts instructor in the Lincoln school prior to his appointment as principal, which is effective immediately.

He holds a master's degree in education administration from the University of Illinois.

Mrs. Luaders Retiring
The school board also accepted the formal resignation of Mrs. Dorothy Luaders, seventh grade teacher at Venice. Mrs. Luaders a teacher in the system 13 years, is retiring. She has been an instructor for 30 years, part of it spent in the Granite City school system.

Approved for payment by the board were May bills and salaries totaling \$17,523. Included were \$13,572 in the educational fund, \$2,136 in the building fund, \$693 in the transportation fund, \$638 in the Venice school lunch fund and \$664 in the Lincoln school lunch fund.

The board also acted to approve the transfer of \$7105 from the district's working cash fund to the bonds and interest fund. This amount, together with funds already available to the township school treasurer, will be used to make payment of interest on the 1953 building bond issue.

ROBERT VICKERS, who was named Monday night as principal of the Lincoln grade school in Venice. He succeeds Charles St. Eyrl, who has retired after 27 years in the Venice school system.

Student Insurance Plan
Entering into an agreement with the Page Insurance Agency of Mount Vernon for student accident insurance during the 1961-62 was approved. The rates were listed as \$2 for students in kindergarten through the eighth grade, \$2.50 for students in grades nine through 12, and \$10 for 24-hour, year-round coverage.

Under the insurance plan, coverage during school hours is also available to school district employees at a cost of \$5.

The school district had previously held its student accident insurance policy with the Guaranty Trust Co., represented by John Mull of DePaulo. However, Mull said the firm he represents would be unable to renew the coverage for the next school year since the low percentage of Venice students covered by the voluntary plan did not justify continued payment of accident claims at the rate they were paid during 1960-61.

Treasurer's reports for May showed a balance of \$836 in the activity fund and \$648 in the revolving fund, the latter figure including reimbursements of \$500 to Lincoln high school and \$122 to Venice high school from the Illinois High School Association for athletic events.

Miscellaneous receipts for May included \$103 to be deposited in the educational fund and \$126 to be deposited in the building fund.

Budget Meeting Planned
Supt. of Schools John O. Pier was authorized to seek special meetings of the board this month for the purposes of discussing a 1961-62 school budget and final approval of supply requisitions for 1961-62.

Board members inspected various types of classroom furniture, samples of which were displayed in the board meeting room, but made no purchase recommendations Monday.

Pier also announced receipt of a notice from the North Central Association of Colleges and Secondary Schools stating that the Venice system is again accredited with that organization for the coming year.

He also was authorized to determine the cost of a school funds audit by contacting local auditing firms as to estimated prices of the work. The board moved its July meeting date back two days to July 5 in order to avoid a meeting on the eve of Independence Day.

Purchase 41 Flags
The only purchase authorization made during the meeting was for 41 American flags of varying sizes, which are to be

bought from Venice Boy Scout Troop One and Cub Pack One.

Jerry Bartlett acted as spokesman for the group of scout and cub scout salesmen who were present at the meeting. The board decided on the purchase of three dozen 16x24-inch classroom flags, two 3x5-foot outdoor cotton flags, two 3x5-foot rayon indoor display flags and one 3x5-foot nylon outdoor display flag, at a total cost of \$172.

The scouting units are selling flags in order to raise funds for camp, and Bartlett said the units are allowed to keep 25% of the sale price for this purpose.

The new 50-star flags will replace some of the 48-star flags which currently hang in Ven-

To Be Navy Instructor

Mervin R. Harris, son of Mr. and Mrs. Frank W. Harris, 2308 West 24th street, was among 10 students recently graduating from electrician's mate school at the Naval Training Center, Great Lakes. He will become an instructor.

He and Lincoln school rooms. Supt. Pier said that until Monday night, the district had only one 50-star flag, which was being used for outdoor display at the Venice school building.

Many a man wins an argument at the expense of losing a friend.

Man Captured During Beating Investigation

A 41-year-old St. Louisan was charged by Venice police yesterday with assault and battery, trespassing and prowling after being apprehended by officers at 3:35 a.m. Tuesday during a beating investigation.

Eugene James Witherspoon is still in custody today in lieu of bond and is to appear at a hearing tonight.

Frank Gode, 40, St. Louis, was beaten on railroad property in Venice or Brooklyn, police were notified by railroad employees at 2:55 a.m. Tuesday. He was

sent by ambulance to St. Elizabeth Hospital for treatment, and the search for his assailant followed. A man had been seen running south along railroad tracks leading from the GM&O Railroad roundhouse.

While being transferred to the St. Louis City Hospital for further treatment, Gode identified Witherspoon as the man who had struck him.

Gode also reported to police that he no longer had about \$60 which he said he had in his possession earlier Tuesday.

Eagle Rank For Five Local Boy Scouts Monday

Five Quad-Cityans will be among 11 advancing to Eagle rank at 8 p.m. Monday at Webster Junior high school, Collinsville, as members of the Francis A. Gaun Eagle class of the Cahokia Mound Boy Scout Council.

They are Robert Chapman, Concordia Lutheran Explorer Post Six; Harry Freeland Jr. and Michael Manning, St. Joseph Catholic Church Troop 13.

The charge to the class will be given by Dr. M. W. Grimm of Collinsville, council vice-president, and Eagle badges will be awarded by the sponsor, president of the Gaun Lumber Co. Families and friends of the honored scouts will attend, and trophies and posts of the council will be presented.

YOUNG FASHION MODELS from the YMCA who will take part in a summer wear style show at 8 o'clock tonight at the Wilson Park swimming pool. Clockwise from lower left are Kathy Oros, Deanne Hillen, Ronald Nemeth, Sally Streib and Arlette Alexander. Others modeling summer informal and formal wear will be Carol Krivi and Dan Ham.

Poolside Fashion Show At Wilson Park Tonight

The newest styles in summer wear will be featured tonight at a fashion show to be conducted beside the Wilson Park swimming pool by the Granite City park district and the local YMCA.

Beginning at 8 p.m., the style show will include everything from swim suits to "dresy casuals," as shown by members of the YMCA modeling class.

Models will include Deanne Hillen, Sally Steib, Kathy Oros, Arlette Alexander, Carol Krivi, Ronald Nemeth and Dan Ham. Summer wear will be described by Miss Patricia Mega, YMCA teenage director.

Entertainment will be furnished by a vocal quartet composed of Janet Oram, Bonnie Davies, Gloria Zlatz and Karen Daugherty, at the organ.

Fashions featured will be from Rick's Ladies Apparel, Tops 'n Bottoms, shop, Glik's Department store, the Sallie Ann shop, Helman's Style shop, Truttler's Mens and Boys shop and Schermer's Mens and Boys shop.

Softball, Baseball Washed Out By Wednesday Rain

The rains came here last night just in time to wash out baseball and softball schedules in the Quad-Cities.

Postponed by wet weather were four games in the Granite City park district boy's baseball program, the Class AA softball contest at Fox Park in St. Louis between Granite City and Eighth Inning Lounge, the Girls' Twilight Softball league encounter between the Kelly Girls and Belleville, and two games in the park district Senior Teenage softball loop.

All but the Class AA contest will be rescheduled at a later date. The AA contest will be replayed only if it could have a bearing on final standings in the league.

McCasky Setting I-C Batting Pace

Pitcher-Outfielder Larry McCasky of Moose Lodge No. 4, undefeated East St. Louis entry in the Southwestern Illinois Inter-City Baseball league, was the top offensive player during the first month of the season, figures released by league statistician Leroy Escher showed today.

He has 22 hits in 34 times at bat, and has driven in 19 runs, also a league high during May. The former minor league leads in two other batting departments with three triples and the same number of home runs, and is second in two-base hits with five.

Jones SB Leader
Chuck Jones leads the league with six doubles, and currently is fourth in the batting race with a .444 average. Granite City's two entries, Mercer Funeral Home and Sacred Heart, placed no one among the offensive leaders during May.

Among the RBI leaders are Walton LaChance of Moose with 10, and Harland Scheibel of Collinsville and Cliff Eckels and Rich Horton of the Moose, each with nine.

Ed Hopkins of McAteer Glass has two triples to his credit, while Chuck Jones and Wally Wielgus, the latter with McAteer, both have swatted a pair of home runs.

The top 10 batters:
L. McCasky, Moose - .444 - 617
H. Scheibel, Colv. - .438 - 438
R. Ryan, McAteer - .435 - 435
C. Jones, Colv. - .444 - 444
P. Vuckevich, W. City - .417 - 417
D. Croak, Moose - .417 - 417
B. McAteer, McAteer - .400 - 400
W. Rosenkrantz, Moose - .391 - 391
W. LaChance, Moose - .375 - 375
B. Plain, W. City - .364 - 364

Still Accepting Registrations For Sports Camp

Today is the deadline for registering for the first week of the Granite City park district's summer sports camp for boys, which begins next Monday, but Park Recreation Director Harold Brown said youngsters may continue to register for later sessions, provided they do it in advance of the dates of the camp they wish to attend.

There will be seven sessions of the boys' camp this summer, and a two-week girls' program has been added for the first time this year. Cost per week is \$10, with the camps open to boys eight through 12 and girls 10 through 13 who are residents of the park district.

Boys' activities will be supervised by Andy Sullivan and Joe Padon, while Mrs. Evelyn Fedors and Mrs. Elizabeth Kettler will be in charge of the camp for girls. Activities offered to boys include swimming, baseball, basketball, football and a physical fitness program. Organized activities for girls are to include tennis, swimming, bowling, archery and softball. The noon meals at all camps are furnished. Girls' camps will be held June 19 through 23 and June 26 through 30.

Boys' camps are June 12-16, June 19-23, June 26-30, July 10-14, July 17-21, July 24-28 and July 31-Aug. 4. Applicants may attend more than one weekly session of the camp. Registrations should be turned in or mailed to the recreation director at 1314 Niederrhein avenue. Further information may be obtained by contacting Brown at TR 7-3559.

Opti-Mrs. Club Guest Night Party

The Twilight Opti-Mrs. Club held a guest night party Tuesday evening at the Rose Bowl with approximately 40 present.

The tables were decorated with baskets of roses and mock orange blossoms and favors for the guests were small baskets filled with the same flowers.

Cards provided entertainment and prizes were won by Mrs. Dorothy Maer, Mrs. Laverne Dufner, Mrs. Lucile England, Mrs. Vivian Hillen, Mrs. Jean Rehmund, Mrs. Betty Harvey, Mrs. Juanita Rosenberg, Mrs. Mary Baumberger, Mrs. Elsie Branding, Mrs. Mary Miller, Mrs. Charlotte Gauen, Mrs. Betty Kozan and Mrs. Angie Converse.

PRISCILLA CIRCLE ELECTS TWO OFFICERS

Mrs. Jane Ashal was elected secretary of the Priscilla Circle of Niedringhaus Memorial Methodist Church, and Mrs. Velva Pieper was named treasurer at a meeting Tuesday evening at the home of the leader, Mrs. Mrs. Elizabeth Briggs, 2833 Dale avenue.

The group held a short business meeting and adjourned until September when the regular programs will be resumed.

Evening Guild Holds Meeting

The June meeting of the Evening Guild of St. John United Church of Christ was held Monday evening at the church on Nameford road.

Devotions were led by Mrs. Joan Schnyder on the topic "The Witness Of The Church Through My Vocation," and Mrs. Lois Hollenbeck read the Scripture lesson.

Mrs. Judy Stille presided over the business session and the program consisted of a film "Treasure In Heaven" in charge of the stewardship chairman, Mrs. June Lux.

Twenty were present, including a guest, Mrs. Addie Lee, and refreshments were served by a committee composed of Mrs. Mae Gottfried, Mrs. Ida Weiss and Mrs. Pearl Giffin.

The Guild is planning an open party to see "Flower Drum Song" Aug. 24, and a regular meeting to open the fall season August 28. The July meeting has been cancelled.

DAV AUXILIARY PLANS PARTY

The DAV Auxiliary met last night at DAV headquarters with Mrs. Laura Flach, commander, in charge.

The chief topic discussed was a party to be given today by the group for patients at the Madison County Sanatorium, Edwardsville.

Elkettes Plan Fall Dance

The Elkettes met Tuesday evening with Mrs. Ella Wade, president, in charge.

Mrs. Gladys Wilson, ways and means chairman, announced plans for a rummage sale to be held Sept. 30 and the first fall dance scheduled for Oct. 7. The next regular meeting of the club will be held July 18 preceding the monthly card social.

Refreshments were served to 34 members by Mrs. June Morgan, Mrs. Addie Marshall, Mrs. June Meyer, Mrs. Catherine Michel and Mrs. Valerie May.

Prizes in the games went to Mrs. Marshall, Mrs. Michel, Mrs. Helen Todd, Mrs. Karmyn Edmonds, Mrs. Mary Corcoran, Mrs. Dorothy Sheppard, Mrs. Anna Lois Teaney and Mrs. Ruth Schaefer.

MIRIAM CIRCLE HOLDS MEETING

Mrs. Ida Caries, leader, was hostess to the Miriam Circle of Niedringhaus Memorial Methodist Church Tuesday evening.

The co-leader, Mrs. Warren Simpkins, led the devotional service and two new members were welcomed by the group.

They are Miss Cio Ulm and Miss Anna Marie Harm. Plans were also made for the annual bazaar to be held in the autumn. Mrs. Verne Barnett was a guest at the meeting.

Eta Chapter Elects Officers

Officers for the coming year were elected by Eta Chapter of the Phi Tau Omega Sorority at a business meeting Monday evening at the Elks' Club.

The list includes Mrs. Laveada Knobe, president; Mrs. George Wagoner, vice-president; Mrs. Mrs. Dolores Siebert, recording secretary; Mrs. Peggy Burch, social secretary; Miss Kathryn Weddell, treasurer; Mrs. Laura Boyd, associate scribe; Miss Dolores Sheridan, sergeant-at-arms; and Mrs. Ethel Zimmer, historian. The installation ceremony will take place in July.

Miss Weddell was named chairman of the installation party.

Mrs. Gina Thomas, the retiring president, opened the meeting, and a report of the recent rummage sale was given by Mrs. Ruby Logan, chairman.

There also were reports on plans for the national convention of the sorority to be held in Colorado Springs, Colo. June 22-25.

Prizes for the evening were won by Mrs. Knobe and Miss Weddell.

RETURN TO OHIO

Mr. and Mrs. Thomas Stafford and children, Brenda, Linda and Ronnie, returned this week to their home in Westchester, O., after several days visit with relatives in this city.

Mrs. Moore Gives Music Program For UPWA

Mrs. John McCabe Moore, choir director, presented a program on "Music" at a meeting of the United Presbyterian Women's Association, the last of the season, Tuesday morning at First United Presbyterian Church, 22nd street and Delmar avenue.

Circle Five was the hostess group and coffee and rolls were served before the meeting which opened with a hymn. Mrs. E. J. Wade, music director, accompanying at the piano.

The devotions from the Year Book of Prayer were given by Mrs. Milton Allen, and Mrs. William Lierman conducted the "least coin" dedication service.

After the program, Mrs. George Holtzner, president, led the business discussion during which reports of the secretary and treasurer, Mrs. W. F. Coolidge and Mrs. R. N. Johnson, and the chairman of the various departments were heard and the new slate of officers was presented and accepted.

Thirty-one were present at the meeting, including three guests, Mrs. Paul Kleindienst of Drexel Hill, Pa., Miss Bess Drexel of Los Angeles, Calif., former Granite Cityans, and their hostess, Mrs. H. F. Huxel.

Mrs. Holtzner closed the meeting with prayer. There will be no meetings during the summer months but the Association will resume again in September.

GRADUATES FROM SIMPSON COLLEGE

Miss Julie Anne Tempel, a daughter of Mr. and Mrs. C. H. Tempel, 2625 Benton street, was awarded a degree of Bachelor of Music Education at Simpson College in Indianola, Ia., at commencement exercises held this week.

The commencement speaker was Dr. Floyd S. Daft, Bethesda, Md., a Simpson College graduate in 1921 and formerly a resident of Graceland, Ia. He is now director of the National Institute of Arthritis and Metabolic Diseases, one of seven institutes in the U. S. Government's National Institute of Health. Dr. Daft is serving as chairman of the College Development Council.

Levee Meeting Postponed; Injunction Hearing Friday

A regular monthly meeting of the East Side Levee Board trustees yesterday was "postponed until a later date" by Dan E. Costello, one of two trustees claiming the board presidency. Costello acted, he said, because there was no quorum present. He and board member George Duff were on hand at the board of trustees in East St. Louis, but absent were Lawrence Tolar, John Molla and Thomas "Skip" Hennessy, the board members who have come to be known as the majority faction.

Only Costello and Duff were present at a meeting last December when Costello was elected "president" after Tolar, Molla and Hennessy had walked out of the meeting. The latter three later held their own meeting and elected Tolar "president."

No Pay In May
Since that time the levee district has exhausted available funds, and employees of the district, including those who fought recent flood conditions in St. Clair county, have not been paid for work done in May.

In the past, payrolls sometimes have been met by the issuing of tax anticipation warrants, but Costello and Tolar will not agree to one or the other signing the warrants as president, a procedure required before banks will lend the district necessary funds.

Suits, counter-suits and motions of dismissal have been filed in both the East St. Louis city court and Belleville circuit court by attorneys for the opposing factions.

East St. Louis City Court Judge John M. Karns sr. will attempt to straighten out the complicated legal wrangle for control of the board during a hearing in his court Friday at 9 a.m. The hearing had been scheduled for Thursday, June 1, but was continued when an attorney for the Costello faction, City recent Judge Fred P. Schman of Granite City, was absent on the hearing date. Judge Karns has stated that he will not continue the hearing again.

Another Injunction
To further complicate matters, Costello and Mayor Stephen Maers of Madison: the district's

Enrollment Increase Award To Pack Seven

First "seven for seven" award in the Unish Boy Scout district was presented to St. Joseph's Catholic Church Cub Pack Seven at a monthly cub leaders' round table meeting Monday night at the Carpenters' hall. The award recognizes units with a net increase of seven boys over their registration of last December.

"Harbors, Stations and Airports" was the theme of the meeting, attended by 38 leaders from eight packs. A film, "The Den Chief," was shown by District Executive Dan Brown, and Assistant District Commissioner John Slay directed the program. The next meeting July 10 will have an "Outdoor Festival" theme.

Dr. See Testifies Committee To Report Next Week On SIU Investigation

(Special From Springfield)
 State Rep. Ralph Stephenson (R-Moline) said today that a State Legislative Commission on Higher Education subcommittee investigating charges of waste and extravagance at Southern Illinois University, would start work next week on preparing a report of its study. He said it would be submitted to the General Assembly with recommendations "for certain" before Assembly adjournment June 30.

The second hearing, growing out of charges contained in a series of stories for a Chicago daily newspaper, was resumed here Monday and concluded the afternoon of the same day after hearing about 10 witnesses, most of them associated with Southern Illinois, during which the quality and the upgrading of instruction was praised. It came from members of the faculty who both supported and who criticized the policy of SIU President Deloye W. Morris.

The principal witness Monday was Dr. Harold See, formerly vice-president in charge of the Edwardsville campus, who resigned last fall when he heard he was to be transferred to a new post, presumably because of his criticism of Morris. Dr. See, who received \$18,000 a year as vice-president then later had this raised to \$19,000 and was kept at this salary when switched to a new post as research professor, was critical and a proponent of Morris.

Explains Differences
 He said there is no question Morris is dedicated to SIU, that Morris has no parallel in ability and vision to present the problems of higher education. He said his difference with the university head was over the operation of the Edwardsville campus, that so far as academic matters at the Edwardsville campus was concerned, the course of instruction is basically fragmentation of pieces of Carbondale.

"In my opinion," Dr. See told the subcommittee, comprised of Stephenson, Jeanne H. Riley, Simmons, Troy, Sen. Richard Larso, (R-Galesburg); Anthony Scariano (D-Park Forest); and Myron Mills, (D-Effingham); "the academic program was utterly void of any direction. We were just offering courses. I don't see how we can effectively organize a campus without a definite idea of what the educational program will be."

He said there was a lack of basic educational planning and decision making at the Edwardsville campus, that he didn't believe that a university with 4,000 students could operate "without some semblance of order."

"Honorable" Resignation
 In response to questioning, largely by Rep. Scariano, Dr. See said he quit his job as vice-president voluntarily, that because it was his belief it was "the only honorable thing for me to do," but added he believed the potential of the Edwardsville campus "so great that most of us can't visualize it." He said he did not consider his job switch a stepdown, that he "would rather be in academic administration as such."

Further questioning brought out that Dr. See thought it

would be well for SIU "and for everyone else for me to leave" but added "to take a decent position." Questioned about beginning and campus acreage, Dr. See appeared to satisfy the subcommittee's inquiries regarding travel and postage costs in the early development of the southwestern campus. Dr. See said he had opposed construction of the new building, owned by the building on the Edwardsville campus.

Dr. Morris had previously testified the building is being used as a combination office and overnight quarters for administrative officials, and that later it would be integrated with the new campus facilities.

"Can Teach In Cowshed"
 He said he had tried to get the university to postpone the construction in the belief the state university building bond issue might be hurt in the Edwardsville campus area because of opposition to the purchase of the building. He said he thought buildings should be secondary to the need for a good faculty because "good professors can teach in a cowshed." He said the quality of the faculty on the Edwardsville campus "is very good."

Questioned by John Rendleman, Carbondale, attorney for SIU about the series of new paper stories, Dr. See said there was "substance in them, and some distortion" and indicated he thought they did not present SIU in a proper perspective. He said the campus faculty "might be afraid to speak out, but whether fear is justified or not can't answer. He said he had knowledge of favoritism for those who went along with Morris.

Others who testified included Dr. Charles E. Tenney, vice-president for instruction at Carbondale; Dr. George H. Hand, chairman of SIU's Department of Education; Dr. William G. Going, dean of instruction at the Southwest Campus; and Dr. John E. Grinnell, vice-president for operations at Carbondale, who told the subcommittee that SIU has surpassed other universities in developing a faculty of quality, development of research and development of a library.

Henry Long Dies Today; Former Venice Resident

Henry Long, 81, a retired switchman for the Illinois Terminal Railroad and a former resident of Venice, succumbed at 9:15 a.m. today at his home at 1014 South 12th street, Springfield, Ill., where he had resided for the past five years.

A native of Kentucky, Mr. Long resided in Venice for over 50 years before retiring and moving to Springfield. He had been under a doctor's care recently for a heart condition.

Surviving are his wife, Mrs. Josephine Long of Springfield; two daughters, Mrs. Frank Sudeth of Granite City and Mrs. George Sudeth of Madison; a sister, two step-daughters and one foster grandchild.

Funeral services will be held in Springfield. Other arrangements are incomplete.

Remodeling Starts On New Quarters For Hardware Co.

Remodeling work on the former H & P Furniture store building, 1918 Delmar avenue, began Tuesday in preparation to a move by the Ben Schermer Hardware store, located next door. General contractor is G. H. Sternberg Co., 1029 Delmar avenue.

The Schermer building is to be razed to make way for future banking facilities, approved in February by the city council. The furniture building, owned by the hardware firm, was vacated late last month when H & P moved to Bellmore Village shopping center.

Plans call for the structure to undergo extensive interior remodeling, and front and rear exterior changes.

Architect Virgil Duggeroff, who drafted plans for the remodeling project, said the front will contain glass, with a column of brick paneling at the corners. He said a new customer entrance area and loading dock is to be added at the rear. The glass front is to be 15-foot by 40-foot.

Work on the interior consists of repainting, installing new stairs to a balcony and to the basement, where shopping areas will be created; installation of new air conditioning and heating systems, and additional electrical work. New light fixtures are planned, along with changes in partitions, and laying peg board wall covering.

Present display area at the front is to be removed.

Ted Berger, manager of the hardware store, said floor space in the new quarters will be double that available in the present building and that new lines of merchandise will be added along with increasing the quantity of existing items.

He said the store will place emphasis on open display of items to bring about better customer service. Berger, also vice-president of the firm, said a large section of the store will be devoted to electrical and plumbing articles.

Work on the 40 x 80-foot building is to be completed in 75 days, he said.

The company was founded 35 years ago by the late Ben Schermer, and is operated by his widow, Rose, and Berger. The firm also operates a store on Pontoon and Johnson roads. For the past year, Schermer's has been affiliated with Ace products.

PLAN SUMMER ACTIVITIES
 Intermediate Girl Scout Troop 31 met Tuesday with Mrs. Corine Kreher, assisted by Mrs. Florence Deatherage. The girls took an "alphabet hike," played games, exchanged "swaps" and had a discussion on what activities they want to participate in this summer.

Cheryl Fisk and Janice Kreher furnished the refreshments for their homelike meeting. Those present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Cheryl Fisk, Virginia Glenn, Betty Hamfield, Pam Parkinson and two guests, Danny Kreher and Gary Glenn.

FATHER'S DAY PROJECT
 Brownie Troop 221 met Tuesday evening with Mrs. Ethel Getteman, assisted by Mrs. Evelyn Bringer. The girls answered roll call with names of different colors and worked on Father's Day presents.

They sang, played games and discussed a campout for Wednesday night. The meeting closed with "Taps."

Girls present were Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Brenda Mistole, Sandy Deatherage, Elaine Routio, Judith Baker, Darla Sneed, Sally Getteman and Mimi Midgett.

BOY SCOUTS

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Herb Polley and Jacob Getteman. A hike was planned for Saturday at 8 a.m.

Present were Mike Abernathy, George Wilkerson, Dennis Boyer, Charles Polley, Skip Dean, Willard Hicks, Alan Getteman, Larry Dayton, Bill Ashby, Glenn Ashoff, Mike Krause, William Burruss, Danny Krause, Jimmy Stevens, Ernie Mills, Ronnie Briggs, Dennis Patterson, Floyd Ridgeway, Mike Karlechik and Bobby Pickers.

BIBLE SCHOOL TO OPEN

Vacation Bible school will be held at the Pontoon Church of Christ June 12 through June 28 from 9 a.m. to 11:30 a.m. for cradle roll to teenage groups. Mrs. Margaret Moore will be the Bible school director.

The Pontoon Church of Christ will have a roller skating party Friday at 10 p.m. at a local rink. The group will leave the church at 8:30 p.m.

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Walker. The meeting opened with the pledge and the boys checked achievements and dues. Mrs. Walker gave a talk on "Improving Citizenship."

A discussion was held on the flag and different days during the year the flag should be displayed. The boys are to ask their parents, friends and neighbors to display their flags on Flag Day, June 14 and on July 4. The boys made plastic vases and held "duck walk" races. Those present were Leonard Walker, John Relecke, Gregory Walker, Bobby Bunselmeyer and Frankie Mehlich.

Mrs. Nell Hospitalized

Mrs. Gladys Nell, 2422 Grand avenue, entered St. Elizabeth Hospital Tuesday where she will be a patient for some time while undergoing medical care.

GC Council Rejects Nemeth Pay; Will Study Tractor Bill

Rejection of a claim for back pay and monthly expenses at rates totaling about \$200 submitted by Former First Ward Alderman Frank Nemeth, was a voted Monday night by Granite City council members who also referred to the Finance Committee further study of a \$1594 tractor repair bill which had been approved for payment during the previous meeting.

Alderman Paul Rutledge, chairman of the Finance Committee, said a letter from Nemeth's attorney had been referred to the committee and that after study, it was decided "the city doesn't owe him any money and we recommend the request be rejected."

Letter To Attorney
City Atty. William Beyer was asked to write a letter to Nemeth's attorney, Fred P. Schuman, advising him of the council action. Nemeth had not seek reelection last April upon moving from the First Ward to the Sixth Ward, and he had been paid a salary of \$1000 per month and monthly expense allowance for February, March and April.

During a meeting in April, he told council members, in answer to a question by Alderman Steve Basarich, that he had voted in the Sixth Ward in the April 4 city election, indicating that he had lived in the Ward at least 30 days prior to the election to establish residency.

Payment To City
The \$1594 tractor bill was referred to the Finance Committee for a conference with Pashea over an \$875 bill he owes the city for purchase of abandoned city property. His several years ago, Rutledge said a meeting would be arranged to negotiate the matter, since Pashea had told city officials the huts were damaged and stripped after he had purchased them but had not yet removed them from the Lincoln Place site.

The repair bill was based on damage to the tractor in pushing city sanitation department vehicles out of the mud at the city dump where they were delivering garbage to Pashea's hog farm there. The road there had been relocated during the winter because of new highway construction.

Rutledge said the Sanitation Committee members also would be called in for the conference. **Spending Cut Urged**
The Finance Committee chairman said he had received a word of caution from Comptroller John Doehner to reduce expenditures. "He says we're spending a lot of money and that department heads should watch for economy cuts wherever possible."

Rutledge also informed the council that preliminary work on the new budget should be getting underway. Mayor Davis said he will be entering into wage negotiations today and tomorrow with union representatives for the police, fire, street and sanitation departments.

It was suggested that department heads and council committees begin preparing information for the budget.

Traffic Accident

The left door on the auto of Gordon Fallon, 4840 Warnock avenue, was damaged Monday in an accident in the 2000 block of Missouri avenue, according to a report made Tuesday to police by Frank Langley, 4528 Illinois avenue, who said he was driving on Missouri avenue at the time Fallon opened the door of his parked auto.

PROGRAM OF PRAYER

AT CHURCH MEETING
The Ruth Ford Circle met at Second Baptist Church Tuesday evening, with Mrs. Elsie Sturdivant, president, presiding. Mrs. Edith Wilson gave the devotion, and Mrs. Alene Phillips and Mrs. Deana White sang.

Mrs. Naomi Roney led the program, "Teach Me to Pray." Those participating were Mrs. Elsie Sturdivant, Mrs. Edith Wilson, Mrs. Alene Phillips and Mrs. Deana White. The next meeting was set for July 11 at the home of Mrs. Evelyn Smith.

Refreshments were served by Mrs. Mitchell. Others present were Mesdames Crystal Mitchell, Rosie Sadler, Florence Paul, Lillian Gregory and Gustaf Pendleton.

NINTH BIRTHDAY

The ninth birthday of Larry Hicks was celebrated Sunday evening with a party held by his mother, Mrs. Nell Hicks, at her home, 2414 Missouri avenue. Those attending were Randy Ellis, Carrie Shumate, Steve McElroy, Clinton Lewis, Junior and Rickie Vaughn, Ronnie and Billy Gibson, Clinton Singler, Mike Butler, Jimmy Hicks and Mrs. Janice Waugh.

Games were enjoyed by all. The honoree received many gifts, including a new bicycle, balloons and noisemakers. Cake, ice cream and lemonade were served.

ENLISTS IN AIR FORCE
Ernest F. Darnell, 2134 Nevada street, who has just completed four years' service in the Navy, has enlisted for three years in the Air Force and is to begin his training at the Air Force Academy in Colorado Springs for a 42-week electronics course.

World Friends
Primary Sunbeams met Tuesday afternoon at Second Baptist Church. Both groups made posters of African and mission subjects. Singing was by Mrs. Betty Lewis and Debbie Lawless led prayer.

Attending were David Freeman, Elaine Travis, Sheryl Hanson, Gary Lewis, Bruce Freeman, Susan Anderson, Steven Hooks, Cork Burnett, Alan Newberry, Frances Welby, Brenda and Connie Rose, Dean Olney, Bobby McDonald, Mike Bellman and visitors, Danny Burg, Gary Lewis, Tommy Freeman and Glenda Tift.

Registration for daily vacation Bible school will be held Sunday, June 10, from 2 to 3 p.m. at the Mount Zion General Baptist Church, 21st and Benton streets. The 1961 theme will be "Living For Jesus."

Next week will be devoted to ages three through eight. The daily sessions will begin at 9:30 and conclude at 11:30 a.m. The week of June 19-23 will be devoted to ages nine through 13. Both sections will register Saturday.

Be sure to wash heels carefully when you are using soap or some other way. Run water into the tops, down through the stalks, to get rid of grit.

C. of C. Urges State Approval Of Sewer Plan

The board of directors of the Tri-Cities Chamber of Commerce Tuesday night endorsed the master plan for sewerage for Granite City by adopting a resolution urging legislation be passed to lift the limit on bonding power of the East Side Levee & Sanitary District.

C. W. Hoelscher, chairman of the sewerage and drainage committee, told the group that the levee board would have to foot the bill for a large portion of the plan which is aimed at providing adequate facilities for the city and fringe areas.

Under the plan the city would pay part of the cost for the sewerage system, while the levee board would need sewer construction, Hoelscher said.

Hoelscher also chairman of the legislative committee, reported on pending bills in the state legislature, pointing out that the proposal to increase corporation taxes has been passed in the house and is headed to the Senate for approval.

He said a bill is being considered to require employers to obtain affidavits from workers employed on Sundays, and another bill affecting employers would reduce the payroll period from 14 to 10 days.

Air Pollution Proposal
A bill to establish an air pollution control board to do research in communities also is being considered and could result in great cost to area industries, he said.

Homer Huber, a member of the committee, stated that he, along with Gene Lichtner, Alvin Barnes Jr. and Harlan Dohy, had gone to Springfield on three occasions to speak against the proposed half-cent sales tax bill. Huber said the proposal received "do not pass" recommendation from the revenue committee, and is on its way to the house.

C. E. Townsend, chairman of the revenue committee, and information is being compiled and turned in each week.

Industrial Site Study
He said Dr. Mege is collecting data on possible industrial sites for the chambers site subcommittee in an effort to determine feasibility and availability of land purchased from land parcels.

Paul Lichtenberger, C. of C. president, stated for A. W. Morris III, chairman of the transportation and highway committee, that a report has been submitted to District Engineer E. W. Riefler, giving facts and recommendations for the proposed

Mrs. Mabel Webb, 63, Succumbs Wednesday

Mrs. Mabel Lois Webb, 63, of 1419 Market street, Venice, died at 10:50 p.m. yesterday at St. Elizabeth Hospital, where she had been a patient since suffering a heart attack nine days earlier. She had been in ill health for the past six months.

Born in Dahlgren, Ill., Mrs. Webb had resided in Madison 37 years. She was a member of the Trinity Tabernacle church. Her husband, Rufus, who survives, is a retired employee of the Granite City Engineer Depot.

Other survivors include three sons, Wilburn of Madison, Gene of Alton and Robert Webb of Granite City; three brothers, Joseph Kinison of Madison, Thomas Kinison of Arbuckle, Calif., and the Rev. Earl Kinison of Peoria; nine grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

Sustains Art Cut

Donna Epperson, five, daughter of Mr. and Mrs. Eugene Epperson, 2211 Illinois avenue, sustained a cut on her left arm yesterday when she fell on glass while playing. She received stitches at St. Elizabeth Hospital at 7:55 p.m. and was released.

Federal Aid Route 151 river highway.
The report, compiled by members of the Bi-State Agency, Tri-City Regional Port District, Granite City Engineer Depot, and city of Granite City, calls the original plan of the state highway department inadequate to meet the future demands of increasing traffic to be brought about by a port development planned for construction this year.

The report will be used by the engineering firm retained by the state to determine changes, Lichtenberger said. A study into the highway problem which would be created in Venice by the railroad crossing is to be made later, he said.

Lichtenberger, speaking for the agriculture committee, said a meeting is set for Wednesday to make plans for a business-industrial-agriculture meeting in the fall.

Don Dressel, public relations committee chairman, spoke on advance publicity for the chamber's membership drive, mentioning that a reprint of a February Press-Record account of the 68-point program of work has been mailed to 490 prospective members with a chamber newsletter and subsequent mailings of other publicity.

Jr. Miss To Be Chosen Friday At Venice Festival

A "Junior Miss Venice" will be crowned for the first time at the annual spring bazaar and festival opening tomorrow at Lake Park under sponsorship of the Venice Lions and Junior Service clubs.

The contest and crowning will begin at 9 p.m. Friday on a stage to be set up in the park. Six Venice high school students are included on the entry list, which is expected to grow prior to the contest.

Weekend festivities will begin with a fish fry at 4 p.m. Friday and will resume at 7 p.m. Saturday and 1 p.m. Sunday. Highlights are to include square dancing Saturday evening, reduced prices on children's rides between 1 and 6 p.m. Sunday and a dance program Sunday evening. Rides, food counters and other stands will be operated.

The two club presidents, School Superintendent John P. and Mrs. Hilda Simmons, are serving as judges of the beauty contest. Proceeds of which will be devoted to charity work of the sponsoring group.

Crowning By Mayor
Appearing in blouses and Bermuda shorts and then in party dresses, the girls will be judged on poise and personality. Mayor John E. Lee will crown the winner.

Junior Miss Venice contestants, in the order they will appear Friday evening, are: Miss Ellen McKinney, 15, daughter of Mr. and Mrs. Fred Diebold, 528 Jefferson avenue; Miss Debbie Weimer, 14, daughter of Mr. and Mrs. John Weimer, 426a Broadway; Miss Catherine Levy, 14, daughter of Mr. and Mrs. James Cooper, 72 Venice homes; Miss Rose Rosenbaum, 14, daughter of Mr. and Mrs. James Cooper, 72 Venice homes; and Miss Margaret Hornberger, 13, daughter of Mr. and Mrs. Edwin Hornberger, 532 Jefferson avenue. Hobbies—swimming and dancing.

Miss Joyce Daniels, 14, daughter of Mr. and Mrs. Sam Daniels, 504 Washington avenue; Hobbies—baton twirling and swimming.

SOCIETY

Circle Meets At Phelps Home

The Ruth O'Dell Missionary Circle of Calvary Baptist Church met Tuesday afternoon at the home of Mrs. Thelma Phelps, 4808 Warrick avenue.

"Teach Me To Pray" was the lesson topic, and Mrs. Lois Bradford served as program chairman. Prayer was offered by Mrs. Viola Jones and there was a special offering for the missionaries.

A panel discussion was held with Mrs. Bradford, Mrs. Beatrice Henry, Mrs. Viola Jones, Mrs. Phelps, Mrs. Edith Harris, Mrs. Kate Stafford and Mrs. Mary Youngblood taking part. Mrs. Jones conducted a business session and plans were made to assemble a scrap book for one of the members who is hospitalized.

The meeting closed with prayer and refreshments were served to seven members. The next meeting will be held July 11 with Mrs. Henry at 1728 Spring avenue.

25th Anniversary For Ross Hogsans

The silver wedding anniversary of Mr. and Mrs. Ross Hogan, 3202 Wilshire drive, was celebrated at a buffet supper and open house Tuesday evening at the home of the son and daughter-in-law, Mr. and Mrs. Phil Hogan, 3221 Wilshire drive.

Those present were Robin Hogan, Miss Sally Hogan, Bill Herbst, Mr. and Mrs. Lester Herbst of Collinsville, Mrs. Sophia Parker, Mrs. James S. Steve, Mr. and Mrs. Rex Hogan, Mrs. Marilyn Lennon, Mrs. and Mrs. Jack Tipton and children, Connie, Tommy and Dale, Mr. and Mrs. Robert Fanning and son, Scott, Mrs. Lillian Jenkins, Mr. and Mrs. Sam Platt and daughter, Mary Elizabeth, the guests of honor and Mr. and Mrs. Phil Hogan and children, Tammy and Patrick.

Mothers Club Installs Officers

The Sacred Heart Mothers Club met last night and installed the following new officers: Mrs. Margaret Salich, president; Mrs. Jackie Francis, vice-president; Mrs. Gladys White, secretary; and Mrs. Cleola Siebert, treasurer.

Mrs. Doris Huff, the retiring president, was presented with her past officers pin and a corsage by Mrs. Kay Bruder and Mrs. Joap Zotti, past presidents, and there was a short talk by Msgr. Michael Costello.

A softball team for the girls is being formed and plans were discussed for uniforms to be worn by the students at the new Sacred Heart school on St. Clair avenue to be opened next fall.

Mrs. Angie Hatfield will be in charge of the Mass and Mrs. Mildred Christian will head the sick committee for the coming year. Approximately 30 members attended last night's meeting, the last of the season.

Gideon Society, Auxiliary Meet

The Gideon Society and Auxiliary met Monday evening in the home of Mr. and Mrs. Charles Reimers, 2531 Benton street.

Rev. C. M. O'Gulin, pastor of Trinity Tabernacle, gave the devotion for both groups and business sessions were conducted by A. L. Frazier and Mrs. Hugh Foster.

Mr. and Mrs. James I. Williams Jr. were new members welcomed, and plans were made by the Auxiliary to present nurses' Testaments to student nurses and aides at Bellevue Memorial Hospital on June 10. Present at the meeting were Mr. and Mrs. R. O. Harold, Mr. and Mrs. Arthur Beide, Mr. and Mrs. William Harris, Mr. and Mrs. Fred Rauschko, Hugh Foster, Elmer Dehn, A. L. Frazier, George Schumacher, and guests Mrs. Roy Compton and Mrs. Pearl Keen.

Shower Honors Bride-To-Be

Miss Beverly Willis, who will be married Saturday to Elva Ray Worley, was complimented at a bridal shower given Tuesday evening by Misses Shirley Deason, Miss Ann McIlroy and Miss Annette Stantling, who are to serve as bridesmaids. The party took place at the Scantling home on East 24th street.

Prices in the games were won by Misses Betty Schriber, Pat Williams, Joyce Evans and Mrs. Clark Worley.

Others present were Misses Barbara Ryan, Marilyn Wondra, Elaine Spengler, Cookie Seibold, Linda Willis, Mrs. Diane Scantling and Mrs. L. Willis. Refreshments were served by the hostesses.

United we stand — divided means somebody gets hooked for alimony.

JUNE BRIDE, Mrs. Ronald Seibold, who was married recently in Jacksonville, Ill. A daughter of Mr. and Mrs. Charles Maton of Pana, Ill., she is the former Sharon Bea Maton.

SEIBOLD-MATON MARRIAGE IS ANNOUNCED

Announcements have been received of the recent marriage of Miss Sharon Bea Maton a daughter of Mr. and Mrs. Charles Maton of Pana, Ill., and Ronald Robert Seibold, a son of Robert Seibold, 2535 East 28th street, and the late Mrs. Seibold.

The wedding took place June 4 in the Annie Meiner Chapel on the campus of MacMurray College in Jacksonville where both have just graduated. The bride, graduate of the Pana high school and Passavant Memorial Hospital School of Nursing in Jacksonville, majored in psychology. Mr. Seibold, who received his early education in the Granite City elementary and high schools, majored in sociology at MacMurray where he served as president of Sigma Pi Literary Society.

Confidence counts only when you possess the ability to back it up.

Mr. and Mrs. Charles Luchman sr. of Rural Route One entertained guests at a dinner party Tuesday evening in honor of the second wedding anniversary of Mr. and Mrs. Joe Roberts.

Also present were Mrs. Emma Gudarp, Mrs. Rose Shanks and Mrs. Edna Miller of Venice, Peter Fruetzel of Collinsville, and Mrs. Mabel Bunselmeier.

Refreshments were served by the hostesses.

Jaycee Wives' Supper Party

A pot luck supper and "get acquainted" party of Jaycee wives was held Monday evening at the Big Top to further arrangements for the organization of a Jaycee Auxiliary, the first official meeting of which is planned for June 28.

Mrs. Barbara Wyatt served as general chairman of the meeting and the group heard a talk by Earl Parsons, immediate past president of the Jaycee's, on the work of the organization in this area, and on the state, national and international level.

The wives present at Monday's meeting were Mesdames Carolyn Kopp, Carolyn Manendez, Shirley Waffler, Laverne Mucha, Lois Hassler, Joyce Hogan, Loyd Davis, Betty Young, Ollie Derr, Lois Mullen, Geneane Francis, Marie Dozmauer, Loreta Worthen, Jane Schwartz, Jo Anne McPherson, Marcella Barnes and Wyatt.

PIANO, ORGAN STUDENTS TO GIVE RECITAL

Mrs. Cora LaMond will present 30 of her piano and organ pupils in a recital Sunday afternoon at the YMCA.

Those taking part will be Kathy Dunn, James Dunn, Tina Gilchoff, Barbara Griffith, Renee Randolph, Karen Bondegard, Eugene Griggs, Leslie Hulsey, Edward Thebaud, Donald Thebaud, Debbie Peterson, Sherrie Peterson, Michael Balm, Rita Moore Carol Schmidt, John Kozar, Janet Surbey, Patricia Messer, Susan Michaels, Linda Ebling, Paula Hutchings, Sharon Hudson, Linda Hudson, Carol Luer, Beth Ann Ledbetter, Joyce Vandemark, Judy Brooks, Phyllis Townsend, Cathie Harvey and Jean Leung.

The program will include the works of Bizet, Liszt, Tchaikovsky, Grieg, Brahms and other classic composers, as well as popular standards, folk tunes and religious numbers.

DeMolay Mothers Honor Presidents

The DeMolay Mothers Circle held a birthday party Tuesday evening in connection with a regular meeting and honored the past presidents of the organization. The special guests were Mrs. Sadie Jones, Mrs. Deale Knipping, Mrs. Florence Spohr, Mrs. Frances Cooke, Mrs. Jurdine Holtzcher, Mrs. Verna Stuart, Mrs. Kenneth Jackson, Mrs. Hazel Scherrilla, Mrs. Caroline Moser and Mrs. Pauline Senfitt.

Mrs. Lucille Lipe presided and entertainment was furnished by the "Kitchen Band" of Phi Beta Tau Chapter of Beta Sigma Phi sorority. Mrs. Margie Pinson was in charge of the games and prizes were awarded.

Ice cream and cake were served by a committee made up of Mrs. Stuart, Mrs. Irene Dawes, Mrs. Kathleen Mundy, Mrs. Margaret McConnell and Mrs. Alberta Walker.

Outing For Garden Study Club

The annual outing and breakfast of the Garden Study Club was held Wednesday morning at Wilson Park.

The group heard a talk by C. E. Eads on the culture of roses and later took part in a general discussion on the topic. After the meeting adjourned there were tours of the gardens of Mr. and Mrs. Eads, the latter a member of the club, and those of Mrs. John Lehman and Mrs. William Kierchner. At the Kierchners.

call was answered by each member giving good or bad points of the meal.

The lesson was given by Mrs. Jerry Short and Mrs. Schilling. The day's minor lesson, "Manners for the Sick Room," was given by Mrs. Ida Hanfield.

A new program chairman, Mrs. Rapp, was appointed to fill the unexpired term of Mrs. Lorraine Highlander, who is moving from this area. Mrs. Schilling also reminded the members that the 4-H girls will present a lesson and demonstration at the July meeting.

Members attending included Mrs. William Branding, Mrs. Charles Guth, Mrs. John Moser, Mrs. Clara Schilling, Mrs. Gerald Lux, Mrs. Robert Brave, Mrs. Norman Soehndt and Mrs. John Harbig. There were six invited guests, Mrs. Branding, Miss Linda Branding, Mrs. Helen Jacobs, Mrs. Grace Rapp, Mrs. Leona Delahoye and Mrs. June Craig.

Mrs. Harbig led the day's prayer, and pictures were taken throughout the day. The next meeting will be on July 10.

SHOWER HONORS MRS. COSNELL

Mrs. Otis (June) Gosnell was complimented Monday evening

with a cradle shower by Mrs. Vineta Smallie in the Smallie home, 3311 Wabash avenue.

The gift table was centered with a large stork and pink and white streamers were used by the hostess in the room decorations.

Games were played and a late dessert course was served by the hostess to Mrs. Vineta Meyer, Mrs. Della Spengler, Miss Donna Rae Farrington, Mrs. Nadine McGuff, Mrs. Peggy Moreland, Mrs. Loretta Gosnell, Mrs. Albert Wintjen, Mrs. Toni Holmes, Mrs. Linda Draper, Mrs. Violet Spengler, Mrs. Marie Parks, Miss Norma Belmer, Mrs. Vivian Simpson, Mrs. Lancy Spengler, Mrs. Carol Kinder,

Mrs. Carol Wilson, Miss Virginia Mercer, Mrs. Faye Mercer, Mrs. Mary Lou Richeson, Mrs. Brenda Roderick, Mrs. Frances Hecht, Mrs. Esther Mercer, Mrs. Barbara Moore, Miss Bernice Mercer, Mrs. Shirley Meyer, Mrs. Gloria Davis, Mrs. Etta Smallie, Mrs. Vita Cienko, Mrs. Ruth Meyer, Mike and Carl Mercer, Duane Smallie and LaDon Gosnell.

BIBLE SCHOOL MONDAY

Bible school will start Monday at 9 a.m. at the Nameoki Presbyterian Church. The school will last from 9 to 11:30 a.m. for students of all school ages and will be held for two weeks.

PROJECTS DISCUSSED BY PRESBYTERIAN WOMEN

The executive board of the Nameoki United Presbyterian Women's Association met at the church Tuesday evening with Mrs. Alta Stewart, chairman, conducting the business meeting and leading the group in prayer.

Mrs. Violet Monahan, world service chairman, announced that the cancer bandage project had reached its quota and none need to be cut until fall. The overseas sewing project was discussed.

Announcements made by Mrs. Stewart included a reminder of the summer medical offering to be made at the next association meeting June 12, and the annual

election of officers at that meeting.

She also reported that a luncheon will be held at the Wood River Presbyterian Church, all noon on June 15. Speakers will be two foreign missionaries, one from Sudan and one from Indonesia.

The program chairman, Mrs. Louise Anderson, reported that the program for the next meeting will be on national missions, and the closing prayer was given by Mrs. Lu Pyle.

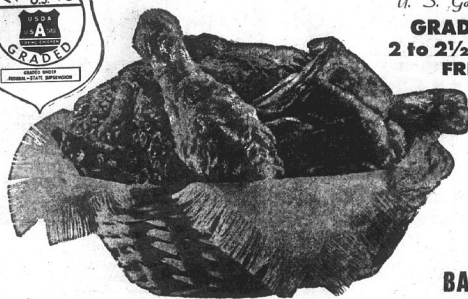

Other board members attending were Mrs. Frances Flinn, Mrs. Edith Simpson, Mrs. Louise Thompson, Mrs. Fern Mitchell and Mrs. Beatrice Pyle. The next meeting will be the association meeting at 7:30 p.m. Monday at the church.

Mr. and Mrs. Hubert Ross of Rural Route Four, Edwardsville, entertained Sunday with a barbeque at their home. The Rosses, former residents, had as guests Mr. and Mrs. Steve Nikonovich and children, Steve and Mike, Ray Niepert and Misses Laverne and Joyce Ross. Badmington, croquet and cards were enjoyed by the guests after the late afternoon supper served by Mrs. Ross.

"Don't be too optimistic — many a self-made man never satisfied anyone except himself."

Venice Group To Contribute \$1150

Contributions totaling \$1150 were approved as the Venice Crippled Children's Organization met Monday evening at the Venice city hall. Mayor John E. Lee, president, was in charge of the meeting, which was held to dis-

burse funds from the dance and drive held in January.

The organization will present \$750 to the Shriners Crippled Children's Hospital in St. Louis, and \$400 will be presented to Mrs. Roberta Lambert, chairman of the Quad-City polo drive. The presentation will be made on June 25 at 12:30 p.m. at the city hall to Mrs. Lambert, and then the group will go to the Shriners Hospital.

The next meeting of the organization will be on Nov. 8, when an annual election of officers will be held.

Minor Fire Alarm

A faulty control on a clothes dryer which failed to shut the machine off caused accumulated lint to catch fire yesterday afternoon, Phoenix from the West Granite station who answered the alarm at the frame home of Carl Ebling, 2310 Denver street, said there was no damage.

Lost Wallet Found In Street—Money Gone

Within an hour after a woman reported losing her wallet with \$6 and papers in the vicinity of 20th and State streets yesterday, police found the wallet lying in the street with the money missing.

The lost report was made to police at 8:45 a.m. by Elnaine Cochran, 2160a Adams street, and it was about 9:50 a.m. that the wallet was spotted, lying in the street on 20th street between State and Grand avenue.

The woman told police the wallet apparently fell out of her car when she stopped at 20th and State streets and opened her car door. It was returned to her by a city employee.

NOTE ABOUT

Council To Revise

(Continued from Page 1)

be no public attendance at the second meeting of the month, Mayor Davis said.

Answering questions by the aldermen, the mayor assured them no official action would be taken during the private meeting of the committee chairman. It was added that any business taken up by the chairman would be placed on the council agenda for official action at the next regular meeting.

Skubish Complains
"We're departing from our regular procedure," Alderman Casner Skubish complained. He was assured by Alderman Walter Nunn that the council still had the final say so and if the new system was not liked, it could be discarded.

"The public will get more action than before," Mayor Davis added. "This is the best thing I've seen for the city and I appreciate your going along and giving it a try."

"In naming the committees, I tried to keep politics out. We'll need a year and all the help we can get to make it work out under the new arrangement."

You can't please everybody." Skubish complained further that the S.U. report did not contain detailed studies of the school board and leave board as originally requested by the city. "This report on the city didn't tell me anything I didn't already know. We could have spent the \$5000 on streets and received more benefit."

Committee Appointments
The committees named by the mayor and confirmed by the council after adoption of an amendment to the Municipal Code to permit the committee changes were—

Finance — Paul Rutledge, chairman, and Arthur Wierzer and Frank Vesel.
Personnel — Wieser, chairman, and Charles Meyer, Donald Parker, Edmund Bartosiak and Steve Basarich.

Public Safety — Vesel, chairman, and Ford Johnson, Walter Nunn, Rufus LeMaster and Casner Skubish.
Public Works — Samuel Whitmer, chairman, and Rutledge, Vesel, Mrs. Gabrielle Bettine and Joseph Cuvar.

Inspection — LeMaster, chairman, and Skubish, Estil Vin Schmittou, Mrs. Bettine and Cuvar.

Planning — Partney, chairman, and Meyer, Samuel Shackelford, Bartosiak and Johnson. Traffic — Meyer, chairman, and Schmittou and Nunn. Library — Whitmer, chairman, and Cuvar and Basarich.

Street Supt. Omitted

Also distributed during Monday night's council session by the mayor was a list of city officials. Noticeably missing from the roster was Supt. of Streets William Warfield. For the street department, the names of two foremen were listed.

The list included the names, addresses and telephone numbers of the officials and appointive officers.

Included were the mayor, clerk, treasurer, police magistrate and aldermen, all elected officers, and the following appointees:

Comptroller, John Dooler; assistant comptroller, Mrs. Gladys Heely; switchboard operator, Mrs. Lucy Stucke; sewer collection clerk, Mrs. Elizabeth Jenkins; street department, Claude Harmon and Robert Wetzel; city inspector, Jack Fricker; secretary to mayor, Mrs. Ruth Eberhart.

Fire chief, Elijah King; police chief, Raymond Willard; building inspector, Earl Bloomquist; plumbing inspector, Elmer Reinhardt; electrical inspector, Edward Branding; humane officer, Scott Craycraft; boiler inspector, Tony Walker; resident engineer, Al Pearson; consulting engineer, D. J. Johnston; city hall custodian, Douglas Greenhouse; and Walter Colligan; fire and police commissioners, Rollo Winters, Eugene Ellberg and Ernest Eli.

Magpies Honor Two Members

A meeting of the Magpie Club was held Tuesday evening in the home of Mrs. Leta Haynes on Elm street.

The birthday of Mrs. Lucille Stafford was celebrated by the group and the 23rd wedding anniversary of Mrs. Elva Lallier, and prizes in the games were won by Mrs. Susie Fowler and Mrs. Katie Pinkerton.

Refreshments were served by the hostess to the club members and two guests, Mrs. Clara Wilson and Mrs. Sarah Wilson, of Port Ritchie, Fla.

The next meeting will be with Mrs. Stafford on Westchester drive.

PARTY FOR GET TOGETHER CLUB
Mrs. Conrad Moeller, 2253 Grand avenue, was hostess to the Get Together Club at a party in her home Wednesday afternoon.

Luncheon was served at noon and the afternoon was devoted to cards. High scores were made by Mrs. Cliff Halbert and Mrs. Walter Dohi.

BUSINESS WOMEN
END SEASON

The Quad-City Business and Professional Women's Club held the final meeting of the season, a dinner, last night at the Waggon Wheel on the Post road. Games were enjoyed after the

dinner and awards were made to Mrs. Verna Lengyel, Mrs. Dorothy Buenger, Mrs. Jullianne Hildebeck, Mrs. Pearl Ryckman, Mrs. Florence Spahr, Mrs. Elvera Thurber, Mrs. Paula Smith and Mrs. Ruth Canner.

Women Of Moose Elect Officers

Officers for the coming year were elected by the Women of the Moose last night. They are: Mary Murgio, senior regent; Maxine Little, junior regent; Margaret Noonan, chaplain; Maxine Lipscomb, treasurer; and Emma Laird, recorder. The installation will take place Saturday July 1.

Mrs. Rose Halbert was in charge and 56 New Horizon center officers were presented to committee members who had filed requirements for the awards.

Prizes were presented to committee members who had filed requirements for the awards. Prizes were awarded to Mrs. Helen Maxfield, Mrs. Margaret Fromberger and Mrs. Grant.

The next regular meeting will be June 21.

Sorority Meets At Tarpoft Home

Mrs. Melba Tarpoft and her sister, Mrs. Mildred Jungels, were hostesses to Eta Alumnae Chapter of the Phi Tau Omega sorority last night at a "zodiac" party in the Tarpoft home, 41 Terrace lane.

A black and gold color scheme, together with signs of the zodiac, were used in the appointments and the tables held bud vases containing red rose buds.

Favors were small dolls, the Seven Gods of Happiness, and there were special favors for five guests, Mrs. Ann Tatum, Mrs. Clara Parker, Mrs. Millie Greenhouse, Mrs. Roberta Lamb and Mrs. Charlotte Frey.

Officers for the coming year were elected. They are: Mrs. Irene Cook, president; Mrs. Agnes Hillmer, secretary-treasurer; and Mrs. Ann Little, scribe.

Prizes in the games went to Mrs. Irene Louis, Mrs. Helen Hoelscher, Mrs. Mary Margaret Graham, Mrs. Wilma Bono, Mrs. Verna Meyer, Mrs. Theima Gish and Mrs. June Drew.

Refreshments were served to 25, including the guests.

SENIOR LEAGUE
FOLIO MEETING

The Senior League of the Gospel Mission met Monday evening with Carol Bradish, president, in charge.

The meeting opened with prayer by Jackie Hill, and devotions were given by Randle Masley.

Reports were given by Linda Fowler and Connie Dean, secretary and treasurer, and plans were made for a picnic and barbecue. An "enthusiasm night" will be held Sunday with Jackie Hill in charge of attendance.

Others present were: Sandy Lazenby, Mrs. Bethel Davis and Mrs. Calvin Lazenby Jr., sponsor of the group.

Refreshments were served by Jackie Hill and Carol Bradish.

Sacred Heart 'June Jamboree' To Open

The three-day "June Jamboree" of Sacred Heart Church will get underway at 4 p.m. tomorrow at the parish grounds, 26th street and Washington avenue.

Sponsored by the Fathers and Friends Club of the church, the event is to be held in connection with the closing of the school term. However, the public is invited.

Twelve rides and confection booths, and food and refreshment stands will be operated by other groups of the church. Hours are until 11 p.m. tomorrow; noon to 11 p.m. Saturday; and 1 p.m. to 11 p.m. Sunday. Children may go on rides from 1 p.m. to 4 p.m. on Saturday for 10 cents each.

Fish will be served tomorrow, and hot dogs and barbecued pork on Saturday and Sunday. A cakewalk is set for all three nights.

General chairman is John Kasman, president of the sponsoring club. Thomas Kula is refreshment chairman; Steve Garbage, advertising; Earl Marti, rides and concessions; and Eugene Roberts, food.

Mrs. Rosalie Buente and Miss Betty Dick to 15 members, and a gift was presented to Mrs. Williams for the use of her parking lot as a meeting room during the past year.

GO TO CHURCH SUNDAY

WEDDING GUESTS RETURN HOME

Mrs. Jennie Parker of Newark, Del., John Graham and Charles Graham of Gallup, N. Mex., and Mrs. Robert Frederick of Bellevue, Ky., out-of-town relatives who were here to attend the wedding of Miss Betty Graham, daughter of John Graham and George Scrum, Saturday evening at First Baptist Church, returned this week to their homes.

Other guests, Mr. and Mrs. John Graham and son, Ricky, of Gallup, are remaining for a longer visit here and with St. Louis relatives.

St. Peter Evening Guild Closes Season Monday

A meeting of the Evening Guild of St. Peter Evangelical and Reformed Church, the last of the season, was held Monday evening at the church, 21st street and Cleveland Blvd., with 33 members attending.

Devotions were given by Miss Louisa Wintermeyer, Mrs. Ruth Ann Bartels, and Mrs. Dorothy Kinney with music by Mrs. Carol Meyer.

Mrs. Marguerite Berger, president, conducted the business discussion and Mrs. Thelma Markgraf gave a resume of a recent tour of the members to the Good Samaritan Home in St. Louis. Announcement was made of the retreat to be held at Eden Theological Seminary by the South Illinois Synodical Guild Saturday and Sunday, June 9-10, and the annual church picnic on Sunday at Wilson Park near Niedringhaus school. The Guild also is sending one boy and one girl from the Holyton Home to summer camp for two weeks.

The theme of Monday's meeting was "Quest For The Kingdom," and there was music by the Chorales, Mesdames Mary Jo Roark, Carl Venne, Carol Williams and LaDonna Coker as Junior Morgan gave an ode to the flag, in keeping with Flag Day.

The group also sang the birthday song in honor of their pastor, Rev. Robert Baumann, and presented him with an anniversary cake.

Refreshments were served by Mrs. Lucretia Wright, chairman of the hospitality committee, assisted by Miss Wintermeyer and Mrs. Doris Ann Anderson, from tables attractively appointed with red roses, miniature musical instruments tied with pink satin ribbons and tiny pink roses in small vases.

The regular schedule of services for Sunday morning has been

NEW Dutch Boy Latex HOUSE PAINT
NEW ACRYLIC LATEX FINISH FOR OUTSIDE WOOD AND MASONRY

FADE RESISTANT COLORS
Take our word for it—colors stay fresh and new looking for years. Practically no change in color even after lengthy outdoor exposure... deep colors or light pastels.

LONG TERM DURABILITY
Years of economical service! Acrylic latex means an exceptionally rugged paint film that will stand up under all weather conditions.

FAST AND EASY TO USE
Slides on easily. You cut painting time in half. Dry in 30 minutes before bugs or dirt can mar it. Stop and start as you please—no lap marks. And soap & water cleans up brushes, rollers and you—it's a snap!

Big Top Bowl

Grabs Lead With
9-8 Win Monday

Big Top Bowl scored a tie-
breaking run in the bottom of
the seventh inning to edge Gran-
ite City Trust & Savings Bank
9-8 Monday night and grab the
lead in the park district's 35-
round Sunday softball league
race. Big Top improved its re-
cord to 3-0, while Trust & Sav-
ings was handed its first defeat
in three games.

VFW Post 1300 notched its
first win of the season in Mon-
day's first game, a 5-3 verdict
over Club Delmar. Club Delmar
fell to 0-3.
Trust Bank tied Big Top with
a one-run rally in the seventh
inning, but the winners pushed
across the deciding tally in the
home half of that frame.

Sentry Million gave up 15
hits, but went all the way and
was the winning pitcher. Paul
Thompson was the Big Top
catcher. Steve Hardisty was the
loser, giving up 16 hits. Fred
Schmidt caught for Trust Bank.
Dick Ratter tossed a five-hit-
ter at Club Delmar, but Post
1300 had trouble making its 3-0
tie with two runs in the home
half of the sixth. Story Eames
worked behind the plate for the
winners, while Bill Schmitz and
Paul Summers formed the Club
Delmar battery.

Familiar Foes Mercer And Glassmen Duel Sunday; Hearts At Carpenter

Two veteran campaigners,
Mercer Funeral Home and Mo-
rner Glass, accustomed to op-
posing each other in post-season
Southwestern Illinois Inter-City
Baseball league playoffs, will get
together for the first time this
season Sunday afternoon at Wil-
son Park.

The 2:30 contest highlights a
five-game I-C card over the
weekend which features another
interesting contest at Jones
Park in East St. Louis.

There, Collinsville's Boosters
will call on Moose Lodge No. 4,
the only team remaining unde-
feated in the seven weeks since
beginning play.

Two teams which snapped
four-game losing streaks last
weekend go to its Sunday when
Granite City Sacred Heart trav-
els to Carpenter. Both clubs
need victories badly, and the
Hearts, younger club in the 10-
team circuit when players' ages
are considered, showed they can
win if they get good pitching in
a 4-3 decision over the Boosters
last Sunday.

'B' League Games

Won By Moose Club,
Grantees Tuesday

Moose Club 272 and the
Grantees scored victories, their
first in Tuesday night action
in the Granite City park district's
first "B" softball league.

The Moose scored seven runs
in the 13th, and the Grantees
completed the first triple play
of the park softball season in
scoring a 5-3 victory against the
Modern Extremists.

Neal Melton limited the K of
C to just three hits in the
first game. The Moose managed
seven off losing pitcher Mike
Schuler. Mary Singler worked
behind the plate for the Moose
and Bill Morris was the catcher
for the K of C.

Chuck Venarsky homered for
the Grantees in the second
game as the winners scored
three runs in a decisive third
inning. Both winning pitcher
Kenny Mitchell and loser John
Lapinski gave up eight hits.

Ron Smoltz caught for the
Grantees, and Clayton Har-
rison for the Extremists.

baseball in the Red division and
is the only league club without a
mark in the win column this
spring, will look for that elusive
win against Troy.

The fifth Sunday encounter
pits two Blue division teams—
Pocahontas and White City
—against one another at White
City.

Makeup Games
Five teams in the league—
McAteer Glass, Carpenter, the
Hearts, Troy and Maryville—
have rained-out games which
must be rescheduled before the
end of the season.

The Hearts will take care of
the situation as it affects them
by playing a doubleheader at
Maryville on Aug. 6, while Car-
penter plays Troy in a single
game at 10 a.m. on July 30.
Both Mercer and Sacred Heart
have made minor changes in
personnel within the past two
weeks. Mercer signed Vic Bueh-
ler, and the Hearts signed Bob
Paine after he was released by
Maryville and Bob Price and
Bob Simpson. All fit in well with
last Sunday Tucker's "youth
movement" plan.

Staff is Complete

750 Youngsters Expected To Enroll In Park Recreation Program Monday

"We're expecting at least 750
youngsters to sign up this year,"
Recreation Director Harold
Brown said today concerning the
summer recreation program
which the Granite City park dis-
trict is offering again this sum-
mer, beginning next Monday
morning, June 12.

Brown said the summer staff
and programs are complete at
all of the seven locations where
the program will be offered to
youngsters who are residents of
the park district and in the
second through sixth grades in
school.

Registration will take place at
the recreation centers Monday
beginning at 9 a.m. Youngsters
should report to the director of
the playground nearest their
homes, Brown advised.

Recreation Centers
Centers which will be used
this year are the Nameoki, Mar-
shall, Wilson, McKinley, Niede-
ringshaus and Logan schools and
the Lincoln Place community
center.

The program will continue un-
til Aug. 4, with sessions from 9
a.m. to noon and 1 to 3 p.m. each
day, Monday through Friday.
Activities to be offered include
swimming, baton twirling, na-
ture studies, handicraft, games
and tournaments, story hours,
picnics, bowling and special tri-
ps to the Forest Park zoo in St.
Louis and Grant's Farm in St.
Louis county.

The recreation director said
the program will be offered free
of charge, excluding nominal fees
for the rental of bowling shoes
and out-of-town trips.

Playground Personnel
Playground personnel this
summer again will be supervised
by the summer director, Mrs.
Helen Bjorkman. Milburn Smith
will be the instructor for an en-
larged handicraft program,
where one of the projects this
summer will be construction of
a scale model of the park dis-
trict by older participants.

Released by the Hearts were
former Manager Charles Erisky,
Kenny Cruce and Wayne Pas-
nea.

Stock Car Racing At Speedway On Tuesday

A 40-lap feature race for su-
permodified stock cars will high-
light the opening night card at
the Tri-City Speedway here on
Tuesday, June 13, speedway
spokesman Glen Hollis said to-
day.

Hollis said the quarter-mile
circuit at the racing layout, lo-
cated on Illinois Route 3 be-
tween the Nameoki area and
Mitchell, will be completed by
the end of this week. Also under
construction at the site is a
half-mile circuit which will be
used by midget racers later this
summer.

Portions of Tuesday's 11-race
card, including the feature race,
will be videotaped by KFLR-TV
of St. Louis for reshowing over
Channel 11 following the Car-
dinal-Pirate baseball telecast of
Sunday, June 18.

Hollis said the speedway also
is considering the construction of
two micro-midget tracks, of one
eighth or one-tenth mile in
length, at either end of the
speedway between the curves of
the half-mile and quarter-mile
layouts.

Time trials Tuesday night are
at 7:30, with the first race to get
underway one hour later. Ama-
teur and "fender-bender" races
are to be included on the pro-
gram. The stock car racing will
continue each Tuesday night
during the summer.

Micro-Midgets

To Begin Running
On Saturday Night

After a month's delay caused
by adverse weather and slow de-
livery of new engines from Ger-
many, members of the Chain-of-
Rocks Micro-Midget Racing As-
sociation plan to open their third
season Sunday night at the
micro speedway on Bypass 40
near the Chain-of-Rocks canal
bridge.

Six races are planned, includ-
ing a trophy dash, four heats and
a 25-lap feature on the one-tenth
mile oval. Time trials will begin
at 7:30 p.m., and racing one hour
later.

BUCKET SEATS ALONE DO NOT A MONZA MAKE

■ Gee! Little did we know, when we introduced the Corvair Monza last year, that we were starting a Big Thing. We just thought it would be pleasant if you could ride in a car that treats you, the driver, like you want to be treated. ■ The bucket seats, of course, are the most obvious evidence of our desire to please you. But they're not the most important thing. No sir. What's really vital is the way a Monza handles—something nobody in the U.S. has yet copied. Or can copy. Because Corvair is the only rear-engine car made in this country, and you know what that means: steering light as this! (You even park this one more easily, it seems so breezy.) Beautifully balanced braking—the car stays level even under panic braking, which we hope you'll never have to do. Traction and more traction, so you don't become a stick-in-the-mud. The kind of cornering that's sheer joy to experience. ■ You get more: a fully independent suspension that blows out road shocks before they can rattle you. Clean, crisp styling. Thoroughgoing economy, from purchase price to operating cost. ■ You're not going to be satisfied with bucket seats alone, are you?

15 Granite Cityans Get Washington U. Degrees

Fifteen students from Granite City were among some 1100 graduates awarded degrees in the 100th commencement of Washington University, St. Louis, held Monday in the field house on the campus.

The commencement address was given by George D. Stoddard, chancellor and executive vice-president of New York University. His topic was "On the Lamp of Learning and Other Follies," in which he pointed out that bright students spend more time in school.

Granite City students receiving degrees included:

Bachelor of arts — Robert E. Bunselmeyer, 2742 Sunset drive; Ronald Lee Gresh, 2312 Benton street; Suzanne M. Lexow, Rural Route One.

Bachelor of fine arts — Norbert William Michel, 2159 State street.

Bachelor of science — Carroll Wayne Banks, 1628 Lindell blvd.; William D. Bartels, 2509 Adams street; Louis A. Bicanic Jr., 2543 Adams street; Gary A. Burton, 2242 Cleveland blvd.; Julius Caweney, 2158 Waterman; Philip Harold Heath, 2320 St. Bernard; Francis E. Herman, 3307 Carlson avenue.

Bachelor of science in electrical engineering — Frederick LeRoy Mercer, 2305 O'Hara avenue; Ronald L. Parker, 2514 Delaware avenue.

Master of science in health and physical education — Keith Dale Parker, 1509 Garfield avenue.

Master of science in mechanical engineering — Keith L. Jackson, 22 Oaklawn drive.

At the commencement, the degree of honorary doctor of law was conferred on Sen. Lister Hill of Alabama.

Roy S. Glasgow, a Washington University alumnus and former faculty member and dean emeritus of the U. S. Naval Postgraduate School at Monterey, Calif., was awarded the degree of honorary doctor of science.

Mitchell Kiwanis Urged To Attend Sports Day

A letter urging attendance at a district "Sports Day" to be held July 18 at Lock Haven Country Club, Altoon, was read to the Mitchell Kiwanis Club at a meeting Monday at Smith Cafe.

The day-long affair will be open to club members and wives and will include golfing, swimming, tennis, horse shoe pitching and other forms of recreation.

A 7 p.m. dinner will climax the activities and a discussion on the election of district lieutenant governors will be held. Representatives from districts throughout the state are expected to attend.

In other business, Monday, the club appointed George Cline as purchasing agent for the Mitchell Kiwanis League. The group has already bought five dozen baseballs, a dozen bats and a set of bases for the renovated ball field. Schedules for the season are to be drafted soon.

Twelve members attended the meeting, with President Thomas Smith in charge.

People, Council Must Continue Fight For Proven Benefits Of Fluoridation

Fluoridation of the local water supply is not and will not be a "dead issue," though some Granite City council members apparently intend to disregard the public's needs and wishes. The burden for keeping the proposal alive will rest with those residents who support it and those aldermen who exhibited concern for dental health and response to the public's mandate by voting for fluoridation.

Despite two council votes reversing the outcome of the special election, water fluoridation remains a burning issue here for two basic reasons: it is a sound, safe and effective way of preventing 60% of the tooth decay that is causing unnecessary pain, expense and health impairment for Quad-Cityans; and this fact has been recognized not only by all medical, dental and public health authorities, but also by a majority vote of the Granite City public body by approval of the Madison and Venice city councils.

How soon local residents can have this low-cost protection against tooth decay will depend to an extent on how articulate and active are the people who are aware of the great need. Council members on their side are Aldermen Meyer, Schnitzler, Whitmer, Wietzer, Cuvier, Johnson and Mrs. Retinec. Aided by these council members, the 7085 people recorded in favor of fluoridation should be able to exert much influence; their votes, interestingly, not only overwhelmed the fluoridation foes in April but also topped by a wide margin the total for any candidate in Granite City.

It is essential from a health standpoint and from the standpoint of respect for the public's decision—which the council sought—that fluoridation be approved in Granite City. Aldermen currently blocking this their ward, city and most of the Illinois Metropolitan Area are Skubish, Shackelford, Vesce, Nann, Basarich, Bartosiak, Rutledge and Partney.

Careful driving doesn't always avoid an accident, but it helps.

Gasoline Taxes Should Not Be Diverted From Streets, Highways

Due to the vast need for highways and their high cost, it would be in the public interest for the state legislature to defeat a proposed one-cent-a-gallon gasoline tax enabling counties to subsidize transit systems. Motor fuel taxes traditionally have been earmarked for street and highway construction and improvements, and this policy should be preserved.

Currently at issue is proposed aid to the Chicago Transit Authority, but the bill before the General Assembly would give equal powers to all counties and for all types of transportation—railroads, airlines, bus systems, subways and street cars.

There is a basic disagreement between those encouraging metropolitan rail systems and those defending the auto and adequate vehicular routes. While they are competitive in a sense, including competition for tax dollars, we feel that both have a future. Rapid transit can prove increasingly important as cities become more congested; yet there always will be a need for autos and buses in non-rush hours and for trips with varying destinations and purposes that do not conform to transit routes.

When two people think exactly alike one is not thinking.

Foreign Languages Suitable For Grade School Students

Interest in foreign languages among elementary school pupils is attested to by the voluntary participation of primary pupils in a Spanish program at Harris grade school in Madison. Plays, songs and poems taught in Spanish are proving both easy and fun for the youngsters in a lunch-time class started four years ago.

Language instruction generally is being extended from the high schools into the junior highs, and there is growing belief nationally that grade school children also can benefit. By wetting their appetite at an early age, more pupils can be encouraged to continue language study on an advanced basis in their later schooling. The Modern Language Association reports that from only 145 communities and 145,000 pupils in 1953, elementary school language instruction has grown to include over 8000 schools and an enrollment of 1,200,000.

Judging by the enjoyment resulting from such presentations as "The Three Bears" and "Little Red Riding Hood" in Spanish, foreign language study can be interesting and rewarding at any age level.

Special commendation should go to the Madison teacher, Miss Clara Funk, and the pupils who have been devoting part of their lunch periods to the Spanish program.

There are at least five million adults ready to give the May and June graduates their best advice.

Caution Essential For Safety During Vacation Auto Trips

With the vacation season at hand, Quad-City families are planning weekend trips and, in many cases, longer journeys to resorts, scenic points and relatives' homes. For those who will travel by auto and wish to give safety its due attention, motoring tips and cautions are in order.

The American Automobile Association advises drivers to schedule their time so that excessive haste can be prevented; a stop should be made every 100 miles or so for coffee or merely to relax and restore alertness. Heavy meals should be avoided, for full attention and awareness are prerequisites of safe driving.

Other reminders include allowing a safe distance between one's car and the vehicle ahead, entering expressways at the same speed as moving traffic, pulling completely off the roadway in the event of an emergency, avoiding unexpected turns and stops that would confuse other drivers, checking frequently in the rear-view mirror to keep pace generally with the existing traffic, maintaining a constant check on road markings, signs and signals and never driving faster than conditions warrant, despite posted limits.

Some of the safety rules seem strict and even contradictory, but it has been said that the best policy is to drive five autos—one's own and the cars in front and back and on either side. Defensive driving, always remembering the possibility of an error by another motorist, is a sound procedure at vacation time and throughout the year.

When individuals desert principles and act upon the basis of expediency, they get into trouble, sooner or later.

No real citizen can make his personal contribution to the community only in cash.

Mayor's Responsibility To Inform Council

(This is the third in a series of articles based on the reorganization and operation study of city government in Granite City, conducted by Southern Illinois University at the request of the city council.)

Continuing recommendation of a for a strong mayor government in Granite City, the SIU experts point out the second major area of leadership for the office is the mayor's relationship to the city council and to various boards and commissions.

"Most important among these latter is the City Plan Commission in whose deliberations the mayor should play an important part."

The university survey team stressed in the report—"One way to get the support of the council for important projects is to see that they get sufficient information and that they all get the same information on the project."

Little Organized Data Gets
The Granite City council gets little organized information in advance of or at the council meetings. They come into meetings relatively "cold," and have to find out on the floor what is being proposed, what the background is and then immediately make up their minds on the issue, problem or policy at hand.

"There is a good deal of discussion on the council floor, but much of it is ad hoc, and it is to be learned what is involved in the proposal. Positive or negative statements cannot come before an understanding of a proposal has been reached."

"Useless Wrangling"
"Many projects, consequently, are stalled or become involved in useless wrangling. Much of this could be avoided, useful debate

instead of bickering could be had and an administrative program could be moved more smoothly if detailed reports and recommendations to the council were prepared.

"These reports and recommendations should be prepared in a format which would be delivered to the council at the meeting at which the matter will be discussed. They should be sufficiently detailed, specific and contain sufficient data and references so that the council will be able to check the material for themselves."

"The mayor should prepare these reports and recommendations himself, or they should be prepared under the direction of the mayor by department heads, committees or other informed people. Except for major projects, the mayor should be brief and to the point."

Departments Always Involved
"There are very few items that come before the council that do not have the participation of some department or more of the operating departments. In some instances, the issues involves administrative or operational need or problem; in other cases, the issues involves the planning agency as the experts in supplying the background knowledge."

"The mayor should not do anything or make any decision without the advice of the city inspector on a zoning issue. In almost all cases, it should be the responsibility of the mayor to have consulted with the officials to have material prepared in advance."

to know what their position is going to be and why."

Council Not Excluded
"This is not to say that on all problems and issues the council should be excluded from the exploratory and negotiatory stages with the city officials and the mayor. We are stressing that it is the responsibility of the mayor to insure that all city agencies are excluded from the exploratory and negotiatory stages with the city officials and the mayor. We are stressing that it is the responsibility of the mayor to insure that all city agencies are excluded from the exploratory and negotiatory stages with the city officials and the mayor."

"More organized liaison, information sharing and canvassing of program alternatives can be done in council committees. The mayor and agency heads would plan an active role in council committee deliberations and proceedings."

"Another means of providing leadership for the council is through an agenda."

"This delivered to the council several days before the meeting would list all items up for discussion. An explanatory paragraph would follow all items not self-evident."

Copies For Visitors
"Copies of the agenda should also be available to residents attending the council meeting. The council cannot properly perform its function without being properly informed. The mayor is the official who should accept the responsibility for providing this information and preparing the agenda."

"It becomes an important part of his leadership function. Items not on the agenda should be accepted at the council meeting only for referral to committee unless the council decides to take them up by a two-third majority."

"One cannot describe in specific detail in a report of this kind what the mayor must do or how his office should be operated so that he might fully exercise his executive and policy leadership role."

Acceptance By All Needed
"As important as the procedures and practices of the kind just suggested is the acceptance of the notion by all the parties concerned that this is the kind of role the mayor should play."

"Not only in this section of the report, but in numerous instances throughout suggestions are made for organizational arrangements that would provide a governmental framework within which such a role could be performed."

"Here it is essentially the notion or philosophy of the office which we have tried to convey."

Mrs. Julia Prusak, 73, Dies of Heart Ailment

Mrs. Julia Prusak, 73, of 1121 Reynolds street, Madison, died at 7 p.m. Monday at the Jewish Hospital, St. Louis, seven hours after she was admitted. She was under medical care four years for a heart ailment.

Born in Poland, Mrs. Prusak was a Madison resident for 50 years. She was a charter member of the Polish National Catholic Church, Madison, a member of the Altar Society of the church and the Polish National chapter. Her husband, Madison, died in 1937.

Surviving are three sons, Edward and Adam, both of Madison, and Macie Prusak, Granite City; two daughters, Mrs. Harry (Bernice) Davis, St. Louis, and Mrs. Boris (Lorraine) Pilloff, Madison; a sister, Mrs. Kinga Konicki, Chicago; eight grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

Women Voters League To Organize June 14

A meeting will be held Wednesday, June 14, at 7:30 p.m. at the public library, 20th street and Delmar avenue, for the purpose of organizing a Granite City League of Women Voters. Preparations for which have been in the making for some time.

Mrs. Walter Coolidge is serving as temporary chairman and Mrs. R. W. Jones of St. Charles, Ill., will be present from the Illinois League to explain the organization's purpose and work. Mrs. Jones is chairman of the new leagues being formed in the state.

The meeting will be open to all interested women.

Vandals Damage Auto

A window glass was broken in the 1950 auto of Norma Moore, 801 Russell street, about 9 p.m. Monday, when the car was parked near the Illinois Power Co. office. It was reported to Granite City police.

Yesci Named Deputy Liquor Commissioner

Eighty Ward Alderman Frank Yesci was named deputy liquor commissioner for the city of Granite City by Mayor Davis during Monday night's Council session. The post had long been held by First Ward Alderman Emil Von Schmitt.

The mayor submitted the appointment to the council without comment, and confirmation was unanimous.

The position is unsalaried, and the duties are to investigate applications for city liquor licenses or renewals of licenses, as well as to aid the mayor, who is city liquor commissioner, in conducting any hearings on complaints against taverns.

Suit On Street Closing

Heard By Supreme Court
Oral arguments were presented to the Illinois supreme court Tuesday on an appeal by Mr. and Mrs. Charles Withers of Granite City of a circuit court ruling on their suit against the city of Granite City and Granite City Street.

The suit was based on extended closing of 19th street for installation of a utility line between the plant and its office building; loss of business at the former Withers home; and loss of sales for the City Attorney William Beatty represented the city, Randall Robertson and Leo Konzen the steel firm and Morris Chapman the appellant. It was indicated that a decision may not be given until September or October.

Register Monday For GC Summer School Courses

Registration will take place at 9 a.m. Monday, June 12, in Room 203 at Granite City high school for summer high school classes. Principal Lawrence McCauley reminded students to register. The seven-week program will run from June 13 to July 28. Class requests will be accepted, and all which receive sufficient demand are to be offered. It was explained. The course will not be decided upon until the applications are reviewed.

Nine-minute classes will begin at 8 a.m. Monday through Friday, with attendance mandatory at study periods between 9:30 and 11. Students may take one or two courses, and the fee will be \$12.50 a course.

Driver training will be offered free to high school students. Registration for the grade school summer program also will be conducted at 9 a.m. Monday, June 12. Locations will be the Logan, Niedringhaus, Frohardt and Webster schools.

Elementary classes will be held from 9 a.m. to noon daily, continuing for a six-week period from June 13 to July 21. Tuition will be \$25, or \$15 for speech correction classes.

Registration for summer band instruction will be held Monday with the band instructors.

Cost will be \$6 for the eight-week instrumental music program at GCHS, and \$5 for six-week junior high band, grade school band and string instrument courses.

City Will Close 20th St. When Sewer Repairs Start

Closing of 20th street between Iowa and Omaha streets was authorized Monday night by Granite City council members who instructed City Engineer Al Pearson to notify the state highway department when sewer repairs begin.

Date for the closing was not set, but traffic will be diverted to 21st street once workmen from the Indiana Granite Corp. begin relining the 51-inch sewer line.

Alderman Samuel Whitmer said an inspection of the line last week by company engineers noted considerable vibration inside the sewer due to heavy traffic on the street.

"There's a safety factor to consider since men will be working in the sewer directly under the street, and the construction

firm's insurance company also is concerned," Whitmer explained. City records show the line has collapsed at least twice in the vicinity of Omaha street.

During the \$100,000 repair project, which is required by the state highway department before it will widen and resurface 20th street, the sewer is to be relined with concrete applied under pressure. The flow of water is to be diverted.

Whitmer said that while 20th street is closed, it probably will be necessary to prohibit parking on at least one side of 21st street east of Madison avenue in order to give large trucks ample turning radius.

The police department was authorized to post no-parking signs if the ban is deemed necessary.

Parking Charges

Through traffic tickets issued by Madison police this week, Donald K. Patterson, 2026 Fifth street, East St. Madison, was charged with parking on the wrong side on James street Monday afternoon and Robert L. Niehaus, 2023 Russell street, was charged with parking on the sidewalk at Fourth and D State streets. Each posted his driver's license pending hearings tomorrow.

Suit Pending Against City; Protest Payment

A notice of intent to file a claim against the city for a sidewalk fall injury and a payment under protest of the city distributor license by an out-of-state firm were referred to City Atty. William Beatty by Granite City Council members Monday night.

The claim notice was submitted by Stephen Demaree, 1643 Maple street, for his wife, Theresa, who was injured on the afternoon of last Feb. 24 when she slipped on a sidewalk at an alley exit and fractured several bones in her left foot.

Payment of \$50 as distributor fees for two trucks was paid "under strong protest" by Manhattan Coffee Co. of St. Louis.

In a letter to the city, an official of the firm said the protest payment was made on recommendation of the company's attorneys in that taxation of interstate commerce is unlawful as set forth in the U.S. Constitution.

Referred to the city attorney to begin legal proceedings were the condemnation of the houses located in the 2800 block of Harding avenue and 2900 block of Denver street. Residents of the 2900 block of Denver submitted a petition, with 60 signatures, asking for removal of a fire-damaged, vacant house in their block.

Nunn said he had received an offer for razing the two structures at a cost of \$50 and that the properties could be leveled with materials left over from the forthcoming improvement project for Spruce street.

The alderman said the property is owned by the state.

Two Houses To Be Condemned By City

Condemnation of two vacant houses in West Granite was ordered Monday night by council members at the request of Alderman Walter Nunn, who said the houses, one of them damaged by fire, constituted eyesores and fire hazards.

Referred to the city attorney to begin legal proceedings were the condemnation of the houses located in the 2800 block of Harding avenue and 2900 block of Denver street. Residents of the 2900 block of Denver submitted a petition, with 60 signatures, asking for removal of a fire-damaged, vacant house in their block.

7 Sewer Reports On Public Display

The May financial reports for the city's seven special funds were presented to Granite City council members who accepted them and referred them to Comptroller John Doehrer to place on public display in his office at the city hall.

A breakdown of the seven accounts, showing receipts, disbursements and May 31 balances in that order following:

— Nameoki area sewerage fund — \$1,419,054, \$1,403,149 and \$15,905.

— Special sewer construction fund — \$84,412, \$69,105 and \$15,307.

— Area No. 2 construction fund — \$403,837, \$392,824 and \$11,013.

— Sewer extension fund — \$77,016, \$37,991 and \$39,025.

— Nameoki area sewerage fund — \$573,725, \$410,220 and \$163,505.

— Area No. 2 sewerage fund — \$121,441, \$92,253 and \$29,188.

— Nameoki area sewers reserve — \$64,592, none and \$64,592.

Damian Bukin, Former Resident, Dies At 75

Damian Bukin, 75, St. Louis, a former resident of Madison, died at 9 p.m. Monday at his home, 1111 North Park place, St. Louis, after an illness of 10 years.

A native of Yugoslavia, he lived in St. Louis 30 years and was a Madison resident for 15 years. He was a member of the Apostolic Christian Church, Madison, and was a self-employed carpenter.

Surviving are his wife, Mary, and a brother, Albert Bukin, Antioch, Ill.

Services were held at 2 p.m. today at a Madison funeral home, with burial at St. John's Cemetery. Arrangements are given in the obituary column.

Zoning Change Sought For 4 Nameoki Road Lots

A petition for reclassification of four lots along Nameoki road in the former city of Nameoki from R-2 residential to C-2 commercial was submitted to the Granite City council Monday night for Mrs. Roberta Lambert.

The petition was referred to the city plan commission.

Alderman Meyer Breaks Ankle In Boating Mishap

As the result of a boating mishap, Seventh Ward Alderman Charles Meyer appeared at Monday night's Granite City council session with his right foot in a walking cast.

Meyer explained he had been boating over the weekend and twisted his foot in sand and mud when he alighted from the boat on a sandbar.

"I've done that hundreds of times and nothing happened before," Meyer said. "I guess it must have been the combination of loose sand and mud."

Druggist Urges Care In Storing Poisons

Accidental poisoning claims the lives of 300 children each year, Bernard Miller Jr., local druggist, told the Twilight Optimist Club Monday night at a meeting at the Engineer Depot Office Club.

Miller, in presenting the fifth in a series of talks to service groups, emphasized that virtually every household medicine box or other material is poisonous when consumed by children.

He said that many have an odor or taste conducive to taking large amounts, and more than 600,000 non-fatal cases are recorded annually.

Using slides, Miller urged constant supervision of children by parents, keeping out of reach all poisonous liquids and substances. He suggested they educate children on the hazards as soon as they are able to understand.

Fourteen members and seven guests attended the session. Guests included Irvin State, George Sturman, Gerald Walters, Sigmund Fredericks, Robert Moske, Fred Schwartz, of the Daybreak Optimist Club and Dean Monk, of Union State & Refining Co. Program chairman was Dwight Taylor.

Annual Red Cross Meeting Tonight

The annual dinner meeting of the Tri-City Chapter, American Red Cross, will be held at 6:30 this evening at the First Presbyterian Church in Granite City.

Business will include election of officers, for the next year and directors for a three-year period. Annual reports will be given.

Guest speaker will be Gregorio Milgredo, Webster Groves, who attended public schools in the Philippines and has been trained as an agricultural missionary at the University of Missouri, Eden Theological Seminary and Missouri School of Religion. Married and the father of four children, he taught school and was a lay preacher in the Philippines before coming to this country.

A veteran of eight years of service, he was a guerrilla during the Japanese occupation and fought with U. S. Far East Forces in World War II, surviving the Bataan death march and prisoner of war camp. His plans include establishment of a demonstration farm, church extension service and agricultural ministry.

Unusual Title Wins Greve Toastmaster Award

Herman Greve, using an unusual title for his speech, entitled "Gigo," won the toastmaster of the week award at a meeting Monday at the Engineer Depot Office Club.

He explained that "Gigo" meant garbage in, garbage out, giving reference to electronic data processing machines and types of information it would judge "garbage."

Second speaker was Marvin Dean, whose topic was "The Jefferson Memorial." Toastmaster was Earl Lee, and Dr. Claude Hiles was general evaluator. Edward Whithers and Dr. Leo Coleman were critics.

Eight members and one guest, Willard V. Fortell, Madison county circuit clerk, were present.

CHECKING UP IN ADVANCE ON THE TOPICS FOR DISCUSSION OF THE YMCA WORLD CONFERENCE OF YOUNG ADULTS, WHICH WILL BE HELD IN VIENNA JULY 8-14, ARE REV. AND MRS. VERNIE BARNETT. THE PASTOR OF NIEDERHOF MEMORIAL METHODIST CHURCH IS ONE OF 80 AMERICAN DELEGATES TO THE CONFERENCE. MRS. BARNETT WILL ACCOMPANY HIM.

In Vienna July 8-14

Methodist Pastor Delegate To YMCA World Conference

Rev. Vernie Barnett, pastor of the Niederhofs Memorial Methodist Church, has been selected as one of 80 American delegates to the Young Men's Christian Association world conference, which will be held in Vienna, Austria, July 8-14.

Rev. and Mrs. Barnett will depart from New York by jet liner on June 29, and return to the United States on July 22. Barnett will act as an official representative of the local YMCA at the conference, and is one of 80 Americans who will attend one of three YMCA international conferences in Europe this summer. Rev. Barnett is a member of the local YMCA's board of directors.

The Vienna conference is termed a vital meeting for young adults throughout the world by the YMCA. The week-long international sessions in historic Vienna will attract delegates from all European, Asian and African member nations of the YMCA.

Theme of the conference is "New Horizons and a New World of International Guest Speakers and lecturers will appear at the sessions, which are to be coordinated by Edwin Tormala of Finland."

Barnett terms the trip "my vacation," but said he plans side trips to London, Brussels, Germany, Venice, Geneva and Paris, more to meet with Methodist leaders than to do anything else.

He is completing an informal rush course in the German language, with his tutor here the wife of Peace Lutheran Church pastor, Rev. Bodo Mehling. Rev. and Mrs. Mehling recently came to Granite City from their native Germany.

Will Preach In German
Plans to deliver several sermons — in German — at the Methodist churches he will visit in Germany also are in the offing, Rev. Barnett said.

"I won't be delivering them extemporaneously. I'll use a written text," he said, "but if I live language, no matter how haltingly it's delivered, then they will say: 'Here at least the man who is making an effort.' That's the most important thing about the trip — the attempt to connect together the peoples of the world."

Delegates to the Vienna conference are expected to bring with them the viewpoints of the younger generation. All are between 18 and 35 years of age. Papers on the various subjects to be considered at the conference already have been assembled and distributed to the delegates, so the young people will not begin their Vienna discussions "cold."

Conference Topics
A cross-section of the topics to be considered includes "A new conception of international affairs." The Church in Africa amidst racial and ethnic tensions. "What is happening to men in rapid social change?"

Mutual Insurance Bid Received By GC Schools For National Institute

Topics currently before Granite City school directors, whose next meeting is scheduled for Tuesday, June 13, include a decision on insurance coverage of school buildings and contents.

The issue is being pressed by Robert L. Brave, agent for the Country Mutual Insurance Co., who offers a term "can write up to \$300,000 on any one building and contents, such coverage being written under the public and institutional property form."

"Country Mutual has paid dividends, ranging from 10% to 20% of premiums collected, consistently for the past 20 years," Brave notes. "This would mean a considerable saving to the school district. In the April 28, 1962 issue of the National Union of Teachers' Magazine, our company is listed ninth for direct premium paid for fire and second for extended coverage premium paid."

If accepted, the bid for a portion of school fire and extended coverage would be a departure from the existing program of delegating distribution of school insurance to the Granite City insurance exchange. This group represents the policies equally among its members, with specific policies going to particular communities but the totals balanced. This plan has been described as removing "the necessity of 'school politics'" by insurance firms, whose rates are uniformly regulated by the state.

The possibility of lower rates through utilization of mutual insurance firms — not members of the exchange — has been cited at various times in recent years. In addition, the exchange recently is in the final stages of a study which it expects will point the way to economies under the existing program.

If you want to cook fish filets in a very hot (350 degrees) oven, dip them in egg, then in bread crumbs so the insides will be tender and not dried out.

BIGGEST MAY SINCE THE MODEL "A"...
THE MONTH OF MAY WAS THE BIGGEST FOR FORD CAR SALES IN 32 YEARS—SINCE THE HEYDAY OF THE HOT MODEL "A" IN 1929.
MORE THAN 143,000 FORD CARS WERE SOLD.
THIS MEANS THAT EVERY SIX SECONDS OF EVERY EIGHT-HOUR DAY, SOMEONE BOUGHT ANOTHER FORD, FALCON, THUNDERBIRD, OR FORD WAGON.
WHY?
PERHAPS THOSE 143,000 AMERICANS FOUND OUT SOMETHING YOU SHOULD KNOW. THEY DID ALL THE SHOPPING, DEALER BY DEALER; THEY MADE ALL THE COMPARISONS, CAR BY CAR. BUT THEY BOUGHT FORDS!
WHY?
SOONER OR LATER YOU'LL GET A NEW CAR. WHEN YOU DO, TRY YOUR FORD DEALER FIRST—HE WILL GIVE YOU AN ABSOLUTE YARDSTICK OF VALUE IN EVERY PRICE RANGE FROM A TUDOR FALCON TO A THUNDERBIRD CONVERTIBLE.
HERE'S WHAT TO LOOK FOR, IN THE GALAXIE PRICE RANGE. DON'T SETTLE FOR LESS THAN A CAR THAT'S BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF... THAT GOES 30,000 MILES BETWEEN CHASSIS LUBRICATIONS... 4,000 MILES BETWEEN OIL CHANGES... WHOSE BRAKES ADJUST THEMSELVES AUTOMATICALLY... WHOSE MUFFLER IS BUILT TO LAST THREE TIMES AS LONG AS ORDINARY ONES... WHOSE BODY IS SPECIALLY TREATED TO RESIST RUST AND CORROSION... WHOSE FINISH NEVER NEEDS WAXING.
IF YOU WANT RECORD ECONOMY LOOK TO THE FALCON... THIS IS THE ABSOLUTE RUN-AWAY BEST SELLER OF ALL COMPACT CARS... WITH THE GAS MILEAGE RECORD OF 32.6 MILES PER GALLON, PROVEN BY AN EXPERT DRIVER IN A FALCON WITH STANDARD SHIFT. UNDER THE CROSS-COUNTRY TEST CONDITIONS OF THIS YEAR'S MOBILGAS ECONOMY RUN.
OR COMBINE ECONOMY WITH A TOUCH OF THE THUNDERBIRD, IN THE ELEGANT NEW FALCON FUTURA... BUCKET SEATS AND ALL.
TAKE A LOOK AT THE TWELVE FORD WAGONS. EVERY ONE IS DESIGNED AND BUILT TO GIVE YOU MORE SOLID ROOM-PER-DOLLAR, POWER-PER-DOLLAR OR STYLE-PER-DOLLAR VALUE THAN OTHER WAGONS. SEE THEM ALL—FROM THE CRISP SMARTNESS OF THE FALCON WAGON. ALL THE WAY UP TO THE INIMITABLE FORD COUNTRY SQUIRE.
FOR PURE PLEASURE, SEE THE SENSATIONAL NEW THUNDERBIRD FOR 1961, UNIQUE IN ALL THE WORLD—A CAR THAT BECOMES MORE DESIRABLE EACH MONTH AS THE IMITATIONS COME OUT, AS OTHER CARS COPY ITS FAMOUS ROOFLINE, ITS FOUR-SEAT INTERIOR, ITS CONSOLE—YET MISS THE SECRET OF THE THUNDERBIRD SPIRIT.
THE THING THAT SELLS FORDS IS SIMPLY THE PRODUCT—IT STARTS WHEN YOU TAKE A CLOSE LOOK AT FEATURES OTHER CARS ARE ONLY DREAMING ABOUT, IT GETS CONVINCING WHEN YOU SEE AND FEEL THE HONEST QUALITY OF ITS CRAFTSMANSHIP—AND IT'S ALL OVER WHEN YOU LEARN THE PRICE.

Carol Harding Wins \$1000 Newspaper Award

Carol Ann Harding, 17, Palm Springs, Calif., high school senior, who attended Granite City high school prior to moving with her parents in January, 1960, was awarded a \$1000 Journalism scholarship recently by the Desert Press Club, Palm Springs.

Miss Harding, daughter of Mr. and Mrs. Forrest Harding, whose address is 3803 East Palm Canyon drive, won the award on the basis of interest in a newspaper career.

She studied journalism at the high school, headed the school news bureau, has been co-editor of the school paper, "Smoke Signals," and wrote a school column for the "Desert Sun," the local paper.

Miss Harding, whose father operated an automobile agency here, was presented a \$500 check for the first semester of college, during a program at the high school on May 31.

Harding, in sending notice of the award to the Press-Record, said in a letter that "we surely do miss all you good people and one of these years we are hoping to make it back for a visit. Many times we have talked about coming back permanently. We feel we left a lot of good friends when we came out here."

Daily Bridge Traffic Hits Record 11,472 Mark in May

With remodeling of the McKinley Bridge nearing completion, the traffic volume reached record proportions in May, a monthly report by District Manager Henry McCullen discloses. Vehicles using the Venice-crossed river span totaled 355,643.

The past month's bridge crossings compare with the previous high of 350,559 recorded in May 1960. The daily average of 11,472 also tops the May 1960 high of 11,308.

Weekly records also were smashed. The mark of 82,194 reached on May 1-7, 1960, was topped by 280 in the week of May 22-28, 1961, when the count reached 82,474.

A breakdown of May 1961 crossings shows 80,516 in the first week, 80,813 in the second week, 80,872 in the third week, 82,474 in the fourth week and 80,988 in the last three days, which included the Memorial Day holiday.

Final Inspection
Final inspection of general work on the bridge by the Whitehouse Construction Co., of Baltimore, Md., is being carried out.

C of C Member Drive To Start Tuesday
A kick-off breakfast at 8 a.m. Tuesday at Cline's restaurant will launch the Tri-Cities Chamber of Commerce annual member drive.

Some 94 members will participate in the two-day campaign to enlist support for the chamber's recently adopted 69-point program of work aimed at improving the community, according to Ralph A. Morris, II, chairman.

Advance letters and material have been sent to 490 business, professional and industrial persons urging them to join. A reprint of a Press-Record news story was mailed out in May, followed by a copy of the C of C newsletter to acquaint non-members with objectives of the chamber.

Mailers cards, containing cartoons pointing up the theme "To get things done, we can't get things done," were sent Tuesday and yesterday. Another letter is to be in the mail Saturday to prospective members.

Morris said the purpose of the drive is to enroll members to broaden the base of the C of C. aims in an effort to strive for growth.

The campaign will end with the breakfast at 8 a.m. Thursday. Drive majors are Robert L. Fowler, 425 Division avenue, was given treatment at 8:20 p.m. after his mother had removed a pencil from the child's throat. He was released.

One Week Before GC Auto License Deadline

"Granite City auto owners have another week to buy 1961-62 auto license stickers and affix them to the windshield of their cars. Starting next Thursday, police will begin issuing arrest tickets to motorists failing to display the new red and black stickers."

The licenses became due May 1, the start of the city's new fiscal year and to date over 7000 have been sold at the city clerk's office on the second floor of the city hall. The wheel tax stickers cost \$3. Last year, 11,505 licenses were purchased.

City Clerk A. L. Stevens' office is open 8:30 a.m. to 5 p.m., Mondays through Fridays and on Saturday from 8:30 a.m. until noon.

Motorist Blames Downpour Of Rain For Accident

A driver who said his vision was obscured by a downpour of rain about 8:55 p.m. Tuesday was involved in an accident on Edwardsville road near 14th Street.

Police said he was Lester F. Freeman, 36, of 1816 Alton avenue, Madison, whose southbound auto struck a parked car belonging to Lowell A. Harris, 34, of Collinsville. No injuries were listed.

Careless Driving Charge Filed Against Motorist

A careless driving charge was placed against Robert Ray, 3045 Marshall avenue, following an accident shortly after midnight Tuesday in the 2200 block of Washington avenue.

Ray, who posted his driver's license as bond, told police he was driving north when the wheels of his auto caught in a pothole.

Oil Stove Overheats
While Drying Clothes
An overheated oil stove fire alarm was answered in 80-degree weather Tuesday afternoon by Granite City firemen from the main station, who were called to the home of Mrs. Elmer Briggs, 2233 Grand avenue. There was no loss.
Firemen were told by Mrs. Briggs that she had clothing hanging outside and when it rained she took them inside and turned on the oil stove to dry them.

Mrs. Marie Price, 79, Dies Here After 8 Years

Mrs. Marie W. Price, 79, of 202 Kirkpatrick Homes died at 11:30 p.m. Monday at St. Elizabeth Hospital, where she was a patient for 16 days. She was ill for a similar period.
A native of Mt. Vernon, Ill., she was a Granite City resident for 48 years and a retired cook at the Jefferson Hotel, St. Louis, where she worked for 28 years until 1936. She was a member of Cooks Local 26, St. Louis.
Her husband, Charles, died in 1957.

Surviving are three sons, Vernon, Granite City, Howard, San Diego, Calif., and Harold Price, Therman, Calif.; three daughters, Ruth Moore and Mrs. Jules (Vera) Kessler, both of St. Louis, and Mrs. Emma Campbell, Washington, D. C.; three brothers, Rudolph, Gustave and Elmer Falter, all of St. Louis; three sisters, Mrs. Catherine Breitenbach and Mrs. Laura Williams, both of St. Louis, and Mrs. Emma Groh, East St. Louis; six grandchildren and seven great-grandchildren.
Services were held at 8:30 a.m. today at a Madison funeral home with burial at Sunset Hill Cemetery.

Venice Budget Started, May Include Air-Cooler

Department heads of the city of Venice are being asked to submit recommendations on 1961-62 spending so that preparation of the annual city budget and appropriation ordinance can be completed. It is to be adopted this summer.
Among the expenditures proposed for the current year, which began May 1, is purchase of a window air-conditioner to cool the city council room on the main floor of the city hall. Other local cities have air-conditioned meeting rooms, and city officials hope to encourage larger public attendance at Venice council meetings through installation of the unit.
